**So Comfortable EVEN THE SHEEP FALL ASLEEP.**

**Automatic Electric Comforter**

Honestly! It's just too relaxing for words to climb into a bed already warmed by an automatic comforter. You'll drift off to sleep before you know it. Why, even the sheep you've always counted can't stay awake.

Of course, you can count the added pleasures electric comforters bring. There's the delightful weight-free warmth of quilted non-skid satin . . . plus savings in storage space with only one cover, a cover moths won't touch.

Your neighborhood appliance dealer and all Edison Customer Offices have the new electric comforters and blankets. See them today!
