## Bike Inspection Passes 700 Here

Karen Parrish, third grade pupil is the winner of the new bicycle given in conjunction with the safety educational program conducted by members of the Birmingham Police Department.

There were a few tense moments for the eight-year-old daughter of Mr. and Mrs. Allen K. Parrish, 3560 Big Beaver road, for her membership number had been left home and she had no claim on the shiny new bike. That bike was pretty important to Karen, for her old one had just been pretty badly banged up. However, her mother hurried home and returned with the proving number. Then, and only then, did Karen loosen her tight grip she had kept on her dad's hand.

The awarding of the bike, and the big safety party held at the Turner salesroom, closed the initial phase of the bicycle safety program here. Begun two weeks ago, over 700 of the city's 1,200 bikes were checked by Sgt. Henry Timm. His inspection ranged from handle bars to brakes, and all weak points were spotted.

The party was highlighted by the presence of Sgt. Wayne Ferulus of the Detroit police, who was assisted by "Jerry McSafely." Speaking for the sergeant, Jerry gave many safety tips for local youngsters to follow.

Further bike inspections will be made at police headquarters. The reflectors will still be presented to all whose bikes pass.

## Ex-Mayors Ray Palmer, Bill Moody Are Honored by City Commission

In a short, simple ceremony Monday evening, ex-mayors William E. Moody and Ray A. Palmer were commended by the present city commission for their untiring service to Birmingham for 12 years as members of the city commission.

Their pictures, magnificently framed, were presented to them but will be placed on the north wall of the commission room along with the pictures of Birmingham's two former mayors, Harry Allen and John Martz.

In his presentation remarks, Mayor Milton F. Mailender said, "Mr. Moody, who was a member of the city commission from April 1936 to April 1948 and served as mayor in 1945-46, and Mr. Palmer, who served on the commission during the same years and was mayor the year preceding Mr. Moody, both have served the City of Birmingham with distinction and honor. For that you have the heartfelt gratitude of its citizens for the grand job you did for them."

Interest Will Continue  
Palmer responded warmly to Mailender's remarks. "I appreciate this very much indeed," Palmer said, "I feel that

## Patient During Maple Widening, Merchants Are Thanked by City

Several merchants, Gunn said, have commended the city on the new and improved street appearance.

"The city wishes to thank the business and professional people of West Maple for their patience during the recent improvement program on that street," Gunn explained.

"They were very understanding of the problems that had to be overcome, and we appreciate their forbearance. Several of them have commented that the re-opened and improved street is worth the effort and inconvenience required."
