"By 1943 the need had become obvious that Governor Kelly, ier noting that the were less of 100 agencies were ment in his inaugural nesses at 100 agencies were ment, in his inaugural nesses attack that, "The constitution makes it clear that it is the ty of Governor to acquaint was first the property of the constitution of the

insuccessfully last spring by George and stated that, The constituperkins and, through him, the best of the constitution of Heise its death was inevitance, and the legislature ordered it in 1946.

By relieving also state administrative bound of uses important timetons, which were being the interest that the state of the st

Parkins expresses some concern about the future of the new department. It is not to be a superior of the future of the men department, the future of the fut

dollars."

Looking for someone to blame, voters may jump at the conclusion that the Sigler-sponsord reform—the new state department of administration—is responsible.

At least, that's the 1948 apprehension of Controller Perkins. Time will tell!

for the surpose by the City Com-City Plan Commission shall, on or the 1st day of April in each year, h the City Manager a written re-for an appropriation of funds for ambing for the essuing facil year ambing for the essuing facil year present such request to the City isso in his annual budget report.
