## No Waiting For This Brand-New Fireball Engine. Get This Thrill Today!

You can dish yourself up a full portion of the zip and go that make today's Buick engine the leader of the parade.

You can thrill again to the surge of brand-new Fireball power—under the bonnet of your prewar Buick, And you can get action—and action now.

In from one to two working days, we can take the weary engine out of your faithful 1937 or later model Buick—replace it with a sparkling new 1948

Fireball engine fresh from the factory.

It's a complete power package. You get all the items listed in the panel—everything new from car-buretor to clutch, valves to oil pan. You get every design and construction feature that pars today's design and construction feature that puts today's Buick engine out in front. Best of all—your engine is waiting for you in our shop right new-car because engine output has outstripped new-car production at the factory.

The cost—varying a bit from model to model—is low enough to make this power package a prize bargain. So why delay any longer the thrill of owning and driving a 1948-powered car? Come in today to see how simple the whole thing is.
