**Out-of-Towners Win Singles Matches
In Local Invitation Tennis Tourney**

By Ed Dinger
Don Mackay of the Highland Park Tennis Club and Betty Hansen of the Grosse Pointe Tennis Club won the men's and women's singles titles, respectively, of the Birmingham Tennis Club First Annual Invitation Tennis Tourney.

Miss Hansen was the only person to win two titles. She defeated Miss Ingrid Reichold 6-4, 6-4 to take the women's singles championship after a long and hard fight. Miss Hansen also of Grosse Pointe, from Miss Ann Wilson and Miss Amy Roosevelt 6-4, 8-6. Miss Hansen displayed superb tennis to take the singles title from Miss Reichold who led 2-1 in the first set and then drop the next four games to lose the set 6-4. The second set after Miss Hansen won her service, Miss Reichold ran her four straight games to lead.

Squad Court Strategy
Miss Hansen then found herself and began to run Miss Reichold from side to side and took the next five games to win the set 6-4. Miss Hansen displayed sound court strategy and sharp cross shots to do this. Miss Reichold played her best tennis of the tournament but was unable to cope with the sharpness of Miss Hansen's game.

Miss Hansen and Miss Anderson had to play the final of the first set from Miss Ann Wilson and Miss Amy Roosevelt in the strength of Miss Hansen's service, Miss Wilson and Miss Roosevelt

then played excellent tennis to lead 6-2 in the second set but could not hold the edge and Miss Hansen won the match 6-4 with Mackay setting a clean placement down the sideline.

Men's Singles Finals
Mackay and Tom Martin of Birmingham then took the court for the men's singles final and displayed an exhibition of smashing tennis. Mackay won the first set 7-5 by breaking Martin's service in the 12th game. Mackay then displayed unsteady tennis to take the second set 6-0 and the next five games of the third set from Martin before Martin took himself and took the next four games to bring it to 6-4.

This proved too tight in the extreme heat and failing to hold his service lost the match 6-4 with Mackay setting a clean placement down the sideline.

In the men's doubles final of the tournament by default from Dick Gabori and Otto Cavanagh of the Detroit Tennis Club.

All contestants were favorably impressed by the manner in which the tournament was run and asked to be invited next year.

The committee in charge of the tournament was composed of Ed Dinger, chairman; Harold Fenerty, referee; Mrs. Margaret Boers, Miss Jane McKee, Mrs. Harold Fenerty, Frank Coppel and the directors of the club.

**Egbert Reports on
Cost of Summer's
Road Oiling Program**

Accumulated costs of the past summer's road oiling program showed that the city spent an average of 66 per cent of the money assessed on initial street improvement.

This was reported to the city

commission Monday night by City Manager Donald C. Egbert.

"Total cost to date shows an expenditure of 96 per cent of the total estimate, which leaves 34 per cent for the maintenance of the oiled streets for a period of the next four years," Egbert explained.

Assessments levied totaled \$54,904.48, he said, and the city spent \$56,364.87 of it this summer.

**BIRMINGHAM
VETERANS NEWS**

Compiled from Various State and National Veterans Information Centers

Student veterans whose dependency status changed during the summer vacation are reminded by Veterans Affairs officials to submit proof of additional dependency as soon as possible to the appropriate VA regional office in which their records are filed.

Students with dependents, who are studying full or part-time in schools and colleges under the G.I. Bill, are eligible for additional subsistence payments because of the dependency.

However, legal proof, such as certified copies of public records of birth, baptism, marriage, divorce or other evidence, must be in their VA training file in order to qualify.

Single veterans studying under the G.I. Bill are eligible for monthly subsistence allowances up to \$75. Veterans with one dependent may receive \$105 per month and veterans with two or more dependents \$120.

Veterans should submit evidence of dependency at once rather than wait until enrolling for the fall semester in order to insure receiving prompt payments of subsistence at the higher rates.

World War II veterans still may reinstate their National Service Life Insurance Veterans Administration branch office officials in Columbus, Ohio, explain.

Some veterans are under the impression they can no longer obtain this government insurance. World War II veterans who can pass a physical examination may reinstate their lapsed insurance at any time.

The deadline for reinstating NSLI without a physical examination was July 31, 1948. VA explained. Prior to the deadline, a veteran could reinstate lapsed insurance by certifying that his health was as good as it was when the policy lapsed.

This deadline confused some veterans, who feel they cannot reinstate lapsed insurance since the deadline passed. That is not correct, VA said.

Veterans may reinstate their insurance at any time by passing a physical examination. If the policy has lapsed less than three months, it still may be reinstated without taking a physical examination.

**Birmingham Federal
Savings Offices
Being Redecorated**

Alterations at the Birmingham Federal Savings and Loan Association are nearing completion after nearly two years of planning. The company purchased the Hanna Building at the corner of Third and Maple streets and moved their offices into it about two years ago. At that time the building was in need of materials and labor they were unable to remodel and decorate as planned.

The changes which have been made were planned for the comfort and convenience of their customers. A new semi-circular counter, which is arranged for four tellers has been installed. When fully completed it will have black glass deal counters, and a safety wall of half-inch glass at the top.

The office of Walter L. Moreland and his associates has been planned to give added privacy to persons doing business there. A closing room has also been arranged on the second floor, where the bookkeeping department is now located. The directors room in the basement, is being refurbished and recarpeted, also.

In addition to these customer services, the entire floor has been covered with rubber matting, and a new sound-proof ceiling and fluorescent lighting installed. While not fully completed as yet, when the work is finished Moreland believes it will present one of the most attractive and most convenient offices of its kind in this section.
