A committee of Women's Club members and the executive board, met at the home of Mrs. W. G. Sloat on Inlander road last Tuesday morning to discuss the various places available for a new meeting place. The results of this meeting will be submitted to members October 28.

W. E. Kendall of Comfort drive, president of the PTA, met with the six to eight grade group of the Junior Big Club to elect officers, who are: president, Doug Lewis; vice-president, "Spud" Snyder; secretary, Beverly Lewis; treasurer, Jack Sweet.

The first meeting of this group will be Friday night at the school. Mr. and Mrs. Alex Nyberg will be the chaperones of the evening.

The new home at 2260 Grosvenor is now occupied by Mr. and Mrs. Lee McNeil and daughter, Frances.

Walnut Lake will well represent in the Friday night bowling league by the following: Rene Parkins, Dorothy Sundstrom, Vale Nyberg, "De" Harrison, Jean McDougall, Charlotte Hampton, Jay Menoch and former Walnut Laker, Mary Hamilton. There

are still openings on Wednesday Afternoon. Bowling on Wednesday afternoon are Betty Lewis, Helga Zahn and Martha Wade.

Spring is in the air! At least that is the feeling of one small cherry tree in the back yard of the Givens home at 5768 Putnam drive. This tree had all the appearance of being just another dead investment up to two weeks ago when it suddenly decided to put forth a few green leaves. Since that time it has come into full blossom which just goes to show how tricky the weather can be.

Walnut Lake Men's club met Friday and elected new officers for the coming year: Otis Zahn, president; Fred Bachman, vice-president; Cliff Williams, secretary; Weber Young treasurer, and Eugene Rathka, assistant treasurer. These officers will preside over their first business meeting Friday, Oct. 1.

Mrs. Doreen Kemp and her two daughters, Patty, 15, and Susie, 9, are moving to Pontiac where they will reside at 37 Le Grande. Patsy will attend Lincoln High School while Susie will continue her schooling at Wisner Elementary.

Mr. and Mrs. Donald Kosmky will move to Royal Oak. Mrs. Kosmky is the former Gwen Kemp.

A new granddaughter, Wendy Jo, holds the spotlight in the home of Mr. and Mrs. Fred Woodman on Putnam drive. She was born Sept. 18 at Mt. Carmel Mercy hospital and weighed 7 lbs. 7 oz. The parents are Mr. and Mrs. Paul Goodwin of Berkley.

The Carey family of Middlebelt had decided not to waste any of Sunday's beautiful weather and so had a corn and wiener roast in their picnic grove. Guests sharing this treat were Bill Crowell, Barbara Wilson and Sandra Overgard.

Co-leaders of Browne troop No. 25, Mrs. Lee D. Hanson and Mrs. Martin Wade, and several troop committee members attended the Birmingham Girl Scout Council meeting and luncheon, held in the Birmingham Community House Friday. Those attending from this community were Mrs. Robert D. Reinhardt, volunteer trainer, will familiarize those present with the Browne program.

Mrs. Hector McDougall, 5800 Beachwood, has accepted the position of assistant troop leader. The first Browne meeting of the year will be held next Monday, Oct. 4, after school.

Notices from the Kirk in the Hills

There will be a luncheon at 12:30 p.m. for members of the Kirk in the Hills Women's Association. Reservations must be in to Mrs. Greta Anderson by Oct. 8.

At the afternoon session, Mrs. Lee Jensen presented "Our Finances". Mrs. S. L. Durham on "Summer Migrant Work", Mrs. John K. Ormond on "Christian Social Activities" and Mrs. H. C. Shaffmaster on "The Church Woman" will speak.

Bits of Birmingham

(Continued from Page 1, Part 2) announced last April, Birmingham residents discovered they were in a pickle. Birmingham city officials were not notified of the change, or it was not sufficiently publicized at any rate. City Manager Donald C. Ebbert, last Friday determined that the city would unofficially change back to EST Saturday night. This was in response to local ministers who wondered about the time for church services. The several persons who called The Eccentric on Friday and Saturday were given the same Saturday night changeover information. This Wanderer trusts you got to church on time Sunday. (Daylight saving time is wonderful, isn't it.)

Has the warm lovely autumn sun drawn you, like a magnet, to the out-of-doors the past few days? Have you sallied forth, in a picnic, in a glow in your heart that comes only at this time of year? Isn't it wonderful? You go walking along and all of a sudden—blooded you are all mixed up with one of those float-sail cowboys. They get in your hair and across your eyes, and if you wear glasses, they get all coated up in them, too. What really makes this Wanderer sore is that just as soon as they disappear, someone who knows all the fancy names for all the unfancy bugs will call up to say they are spider solvents, but something else. Cobwebs are spider products, or some such thing, and these are from little worms. Regardless of what makes 'em, we don't like 'em.

Have You Met . . .

The newcomers from Lima, Ohio, Mr. and Mrs. Grant W. Barber and their children, Glenn, Gerry and Lolla who are residing at 629 Pierce? Mr. Barber is the principal of Quorton Elementary school.
