Vaughan School Has Final Spelling Bee

The school spelling bee finals were held last Thursday morning at Vaughan School. In the senior high division, the tenth grade team won the contest, while Jody Cooper, eleventh grader, took the individual championship. In the junior high division, the

eighth graders won, and Beryl Wilson was the individual winner. The correct spelling of the word "deceitful" was the final word which assured Beryl the honor, while "stigmata" proved to be the word which tripped the runner-up in the older group.

Miss Ruth Woodman and Mrs. Virginia Condon were the judges for the junior grades while Kenneth Olla and Edward Dijkstra acted as judges for the senior grades.

The awards include a planned half-day holiday for the winning class, and a specified amount of books of the winners' choosing for the individual champions.

Pierce Field Ready for Summer Season

With rake, shovel, and hoe, Birmingham's track squad took a day off from school last week to work on Pierce Field. A cement truck had driven around the track during construction of the new field house, leaving deep ruts.

The boys spent the track loosened, the clinders, and then used rakes to smooth out the bumps. Pole vault and broad jump pits were spaded and all the bleachers on the west side of the field were moved to make room for the pole vault runway.

Since the team had worked six hours, coach Lloyd A. Cooper called optional practice. Boys with weak scholastic records were excused from the work.
