### New County Agent

Edmond W. Alchin

Edmond W. Alchin, former assistant agricultural agent in Oakland County, will return as county agricultural agent on April 1. Since leaving Oakland County in December 1947, Alchin has been county agricultural agent in Cheboygan county where he has accomplished a great deal for the farm people through his extension program.

A native of Webberville, Michigan, Alchin attended Michigan State College and was graduated with a bachelor of science degree in 1939. He then taught vocational agriculture at Cheboygan for three years. From 1943 to 1946 he served in the U. S. Navy and held the rank of lieutenant (j.g.).

Following discharge from the Navy, Alchin accepted the position as assistant county agent.

Karl Bailey, who has been serving for some years as county agent, has become district agent for fruits and vegetables. He will continue working through the Oakland county office as in the past.

### New Parking Lot at Sylvan Glenn

Sylvan Glen Golf Course came through the winter in fine shape. It is the best it has ever been in the season, according to Bill Catto, pro-manager, who is back on the job again this year. One hundred and sixty-five golfers enjoyed an early season round on opening day, last Sunday, he said.

The old equipment barn has been removed from its former location near the highway and the space it occupied has become part of the new parking lot which will hold 100 cars. A new barn, 24 by 65 feet has been erected out on the course where it will be easily accessible to all parts of the layout.

Another bit of improvement has been the sodding and leveling of all tees. Seventy-five trees have been planted along several of the more open fairways to enhance the beauty and sportiness of these holes.

In charge of the dining room and cocktail lounge this season are Phil and Mary Kaytlo of Detroit. Phil was formerly a sheet cutter for a Detroit concern and Mary is a former manager of the dining room at the Bay View Yacht Club. Party and banquet groups can be accommodated in the spacious dining room at Sylvan Glen and all facilities for any size group are available. Golf tournaments for the season are also being booked.
