### Yates and Littleton Selected for '49 U. of M. Educational Awards

Gerald Yates and Robert Littleton, graduates of Baldwin High School in the January 1949 class, have been selected to receive Educational awards from the University of Michigan Alumni and Alumnae Clubs of Birmingham.

These awards, presented this year for the first time, will be an annual project of the local organizations which are now raising money to augment the fund by sponsoring a benefit performance of the musical comedy "Brigadoon" at the Cass Theater on Monday, April 18.

The awards will furnish financial aid each year to one or two students from this area who have maintained a high scholastic record while participating in school activities, and who plan to continue their education at the University of Michigan.

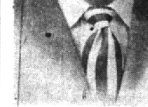

**Enviably School Records**  
This year's winners were selected by the awards committee of the Alumni Club, whose membership is made up of Fred J. Zollin, chairman, Dr. Edwin Lee, Kenneth McGregor and Max Tunncliffe.

Both the current winners have enviable high school records. Gerald, valedictorian of the January graduating class, was also president of the National Honor Society, president of his tenth grade class, vice-president of his eleventh grade class, and vice-president of the Student Congress during his junior year. He received a letter for participation in track.

Bob Littleton, recipient of the Johnson Memorial award, which is presented to the best student-athlete in Baldwin High School, was active in athletics, earning one letter in football, three in basketball,

Littleton's parents are Mr. and Mrs. Ray Littleton, 728 Emmons.

**Other Scholarship Awards**  
In addition to sponsoring these Educational Awards, the Birmingham Alumni and Alumnae of the University of Michigan are instrumental in fostering the University Regents-Alumni Scholarship program through which the University provides tuition to several Birmingham boys and girls who qualify on meeting high scholastic requirements.

Winners of this year's scholarships will be announced later this month, according to Larned G. Godrich, boys' counselor at Baldwin High School. Winners of the scholarships last year were Tom Mills, Richard Stoll and William Hickman, all of whom are now studying at the University.

High McLeese and Fred J. Zollin are scholarship chairmen of the alumni and alumnae clubs.

Tickets for the benefit performance of "Brigadoon" are now on sale and may be purchased from members of the alumni groups at regular box office prices. Mail orders, addressed to Max B. Tunncliffe, 1330 Cranbrook Road, Birmingham, and accompanied by check and self-addressed, stamped envelope will be promptly filled. All orders for tickets will be filled strictly in the order of receipt.
