Birthday Dinner

Kitty Stark celebrated her fifth birthday with both sets of grandparents, as well as aunts, cousins, and friends in attendance. Kitty's grandparents, Mr. and Mrs. George Stark of Detroit, and Mr. and Mrs. Euhl Shade of Franklin, were on hand for the big event. In all, with small sister Elizabeth and even smaller sister Jeanette, there were over 25 for dinner that night.

Vacation Notes

The Pres Doziers are home after their two weeks' trip through the east. They were entertained royally but report that home and the two small Doziers, who had been packed with grandparents, looked good.

Mr. and Mrs. George Stark with their three young daughters, are heading for Higgins Lake this weekend. George will leave his family there, going up only for weekends.

Judy Fricker had a real thrill when she flew to Baltimore to visit her grandparents and aunts and uncles. Judy not only went on the plane by herself, but made the trip from Detroit to Willow Run without benefit of escort.

Barbara Haworth is finishing her second week at Camp Cavell on Lake Huron. Her parents, Mr. and Mrs. William Haworth, her sister Gayle, and Christine Lewis are planning to drive up Saturday to bring her home.

Escapes Injury

Young Roger Fraser managed

to put a few more gray hairs in his parents' hair last Saturday by falling out of the family car as it was turning the corner at North-western and Franklin road. Fortunately the car was going very slowly and Roger seems none the worse for wear.

Coming Fine

Mrs. Ted Brehm took advantage of the cooler weather last week to go back to Ford hospital to have the cast she has been in so long removed. She has now graduated to a wheel chair and can get out in the yard for short periods.

Franklin Community church's Rev. Levey is on the mend after his recent operation. After a month's vacation and rest, the community hopes he'll be as good as new.

Picnic Party

Next Wednesday's the big day for Franklin mothers and children, for the Friendly Circle and the Evening Circle are joining up for a big picnic out at the Norman Currin cottage. For those who don't know the way, there'll be a general meeting up at the church at 11:30 with escort service the rest of the way. A pot luck picnic is planned and don't forget bathing suits. If there is anyone needing transportation, call Mildred Wood.

Fall Affairs

At a recent meeting of the ways and means committees of the Friendly and Evening Circles,

plans for the fall months were mapped out. First joint event will be a bake sale on Saturday, Sept. 17. In October there will be a square dance on Friday evening, the 14th. And then the big event, the country fair, scheduled for Saturday, Nov. 5. Plans for the fair are really rolling. One group is meeting weekly to work on joint projects. This week's meeting will be at the home of Mrs. Rudy Hanson on Thursday evening. It is hoped that several other groups will be organized. Mrs. Glenn Shoemaker has offered space for storage and the committee hopes that as items are ready, they will be turned in so that they can plan.

Coming Home

Camp season is about over. Expected home Thursday from way up in Wisconsin are Jack Graham and Bob Hinman. Their families admit that even tho' it may not be so peaceful as it has been, they'll be glad to see them.

Mrs. Peter Loomis Gets Ducking as a Doe Upsets a Canoe

Mrs. Peter Loomis had a most unusual experience Friday, while vacationing near Higgins Lake. She, and several members of the party, decided about dusk to take a canoe trip on a nearby stream to watch the animals that came to feed and drink in the early evening hours. After sighting several deer and beaver, the party started to return to camp.

About 10 o'clock they spotted a large doe standing in mid-stream. To get a better look at the animal, they turned a powerful flashlight on her. The doe, standing with her back to the approaching craft, was apparently startled by the light and her own huge shadow. As the drifting canoe drew alongside, she gave a sideways lunge across the craft, upsetting its occupants into about three feet of water.

Save for the shock of the sudden action and their unexpected ducking, no one suffered any ill effects from the incident. The doe made her way out of the stream and vanished into the woods.
