Complete Facilities for Quality Printing

We believe it is an out-of-dike method for a printer to accept an order for work and then "farm out" the doing of it to other suppliers; just as old-fashioned as the days when the wife went to the grocer, the baker, the vegetable store and the butcher. Today she gets her supplies under one roof.

We handle your job from beginning to end. We co-operate in designing a pleasing effect, select the type faces, do the composition presswork, binding and mail it for you, should you so require it.

of type, binding, etc., we produce the job with maximum conomy. This philosophy has proved itself by a record of phenomenal growth—greater than any other printer in
