Yuletide Season Is Most Dangerous for Motorists, Safety Council Warns

CHICAGO, Dec. 1—"Don't Let Death Take Your Holiday!"

That is the slogan of a nation-wide campaign by the National Safety Council to hold down the Christmas-New Year holiday accident toll this year.

Council figures show the year-end holiday season is the most dangerous period of the year, and that accidents annualy mar the holiday celebration in thousands of homes throughout the nation.

In a united effort to focus public attention on the extra holiday hazards and the extra caution needed to meet them, city and state officials, civic groups, local safety councils and 160 national organizations are joining with the Council in the Christmas safety campaign.

Travel Is Heavier

The Council pointed out that traffic accident deaths on both Christmas Eve and Christmas Day run about twice as many as the annual daily average.

Heavier travel and the festive spirit of the holiday season add to the normal winter hazards of bad weather, slippery roads and added hours of darkness.

"Every family in America should put one extra gift under its Christmas tree this year," said Ned H. Dearborn, president of the Council. "That gift is life. It could be the life of some member of the household, or of a stranger. But it will be saved because someone has used just a little extra caution, common sense and courtesy to meet holiday hazards.

The Best Christmas Present

"Unless everyone is willing to go to a little trouble by taking extra care during the Christmas holiday season, America is likely to celebrate the holiday by repeating the record-breaking carnage of the recent Labor Day holiday disaster, when more than 550 persons were killed by needless accidents.

"Remember—a safe Christmas celebration, free from accidents that mar family happiness at this joyous time of the year, is the very best present anybody can give or receive. Don't let death take your holiday;"

Commission Approves Load Packer Purchase

A recommendation of Marx Fall, DPW superintendent, regarding the purchase of a load packer for use in the collection of rubbish, was approved by the city commission Monday night.

Fall said that the present dump truck was badly in need of replacement, and pointed out that the load packer would prove more satisfactory. He said it would prevent papers from blowing off the load and littering the streets.

A demonstration showed that by using a load packer in the business district, one and one-half loads could remove as much rubbish as 9 or 11 on the present dump truck. He pointed out that the price of the truck would soon be paid in man hours saved and lower gasoline consumption.

The proposed purchase, a nine-cubic-yard body, will cost the city approximately $2,450 over the trade-in value of the old truck.

—So we tramped the woods for five days, and never saw a deer!

LEGAL NOTICES

ORDINANCE NUMBER 390
City of Birmingham

AN ORDINANCE TO AMEND ORDINANCE NO. 345 OF THE CITY OF BIRMINGHAM ENTITLED TAXICAB ORDINANCE BY AMENDING SECTION 402 THEREOF.

The City of Birmingham Ordains:

That Ordinance No. 345 of the City of Birmingham entitled Taxicab Ordinance be and the same is hereby amended by amending Section 402 thereof to read as follows:

Section 402. If such application be approved by the Chief of Police, the City Clerk shall issue to such applicant, upon the payment of the fee of Five Dollars, a taxicab driver's license, which said license shall be in manner and form approved by the City Manager and shall contain a true photograph and the signature of such licensee, and the serial number of the license badge hereinafter provided, and the said license shall be posted at all times in some conspicuous place in the motor vehicle operated by such licensee. Any licensee who changes, defaces or obliterates any entry upon such license blank may be penalized by the revocation of such license and no such license shall be transferable.

Upon issuance of the original license hereunder the City Clerk shall issue to the holder thereof a badge in size and form to be approved by the City Manager, engraved or stamped with the words "Licensed Taxicab Chauffeur, Birmingham, Michigan" and bearing a serial number, which said badge shall be worn at all times by such licensee on the breast of the outer garment, where the same is plainly visible, while engaged in the operation of said taxicab. Such badge shall be valid at all times when the person to whom it was issued is properly licensed under the provisions of this Ordinance.

In the event such licensed operator shall terminate his employment he may surrender said badge at the office of the City Clerk of the City of Birmingham accompanied by evidence that he is the same person to whom the same was issued, and upon the surrender of such badge in good and useable condition, the City Clerk shall authorize a refund to the licensee of the sum of $2.00.

In the event the holder of any such license shall lose such badge he shall immediately report such fact to the City Clerk and shall apply for a new badge for which he shall pay to the City fee of $3.00, $2.00 of which sum shall be refunded on the return of such badge as above provided.

All licenses issued hereunder shall expire on the 31st day of December of each year.

This Ordinance shall be effective January 1, 1950, and after publication thereof.

Made and passed by the Commission of the City of Birmingham this 21st day of November, A. D. 1949.

ORDINANCE NUMBER 389
City of Birmingham

An Ordinance to Amend Ordinance No. 221 of the City of Birmingham Entitled, "Zoning Ordinance", by Amending Section No. 601 thereof and to repeal Section 1 of Ordinance No. 354 of the City of Birmingham.

The City of Birmingham Ordains:

1. That Section No. 601 of Ordinance No. 221 of the City of Birmingham be and the same is hereby amended to read as follows:

Section 601. No land or building within any district designated in this Ordinance as a Single-Family Residence district shall be used for other than the following specified uses:

(a) Dwellings for one family only.

(b) The office of a professional man, customary home occupations and boarding and the renting of rooms; provided, such use shall be accessory to a residential occupancy, and provided further there is no display of advertising, except that a physician or surgeon may display an inconspicuous sign not over one square foot in area.

(c) Churches, parish houses or Sunday school buildings.

(d) Schools, colleges, buildings housing governmental functions and utilities of the City, County or State, or any subdivision thereof, public parks and playgrounds.

(e) Signs advertising the rental, lease or sale of the property upon which they are maintained, provided, that the total area of such signs displayed on one property does not exceed 9 square feet, provided further, that the area of any one sign shall not exceed 3 square feet.

(f) Accessory uses customary or incident to any of the above uses.

Any building, accessory, to a main building and designed for occupancy by an accessory use, shall be located not less than 65 feet from the front street line except when built as a part of the main building. On a corner lot, such accessory building shall be constructed within not less than 15 feet from the street line on the side street frontage. An accessory use shall not include a building or use not located on the same lot with the building or use to which it is accessory.

A private garage to be deemed an accessory use shall not provide storage space for more than one motor vehicle for each 2,000 square feet of ground area of the lot. Such private garage may have living quarters for servants or members of the family; provided, all requirements of a single residence for yard spaces are fulfilled.

Private garages constructed as part of the main building shall conform to the requirements of said building as regards location.

The term "accessory use" shall not include the conducting of a retail business, but shall include only the use of a portion of the building by an occupant of such building for the conducting of his or her trade, profession or occupation. Such accessory use shall not occupy more than 25 per cent of the floor area of any one floor.

Any accessory use which by the emission of odor, smoke, dust or noise, or which in any other way is objectionable or detrimental to the amenity of the neighborhood shall be prohibited.

(g) No fence of a height of more than three feet shall be erected on any property in this district in that portion of such property between the property line and the building setback line on any street. Provided that fences of a height of not to exceed 4 feet will be permitted, where such fence, including supports, does not obstruct vision to an extent greater than 25 per cent of its total area, and where such fence is maintained free from vines which may obstruct vision.

Provided further, that for the protection of persons and property, fences of a height of not more than seven feet, and which do not obstruct vision to an extent greater than 25 per cent of their total area, shall be permitted for the enclosing of public and institutional playgrounds and recreation areas. No fence in this district shall be constructed either wholly or in part of barbed wire, nor shall there be maintained any fence carrying any electric current or charge of electricity.

2. That Section 1 of Ordinance No. 354 of the City of Birmingham, the same being an amendment of Section 601 of said Ordinance No. 221, be and the same is hereby repealed.

This Ordinance shall be effective upon publication following the passage hereof.

Made and passed by the Commission of the City of Birmingham this 21st day of November, 1949.
