Your "Home-town printer" is convenient to use. If your business is located in Detroit, we invite you to use our printing services. For your convenience we have a Detroit Sales Office at Cass and Milwaukee (across from General Motors Building). Two experienced and co-operative salesmen man this office. The phone number is TRINITY 5-2629. We would appreciate an opportunity to explain our facilities and quality of work—from 1 color to 4 color process. We have many Detroit customers whose executive personnel live out here. They repeatedly testify to the ease with which we serve their needs. Why don't you, too, enjoy the convenience, economy, and the neighborly personal interest which comes from buying your "home-town printer"...
