

Letters to Santa Claus Reveal Christmas Wishes of Birmingham Youngsters

December 1, 1949 THE BIRMINGHAM ECCENTRIC Page 3

Here they come! Dozens and dozens of letters are already winging their way to the North Pole, and by now Santa, himself, has probably read many of them.

The boys and girls of Adams school's first three grades have written their letters to Santa Claus, and in order that their daddies and mothers, aunts and uncles and all their friends can see what excellent work they are doing, Santa has asked us to print every one of them in the Eccentric.

Print them? Of course we will! We'll print the letters from Adams school this week, and if those youngsters over at Barnum are as sharp as we think (know) they are, we'll have their letters in the next issue.
