A Christmas party for the children of members has been planned by the Ridgedale Players and will be held Saturday afternoon, Dec. 17 at their playhouse. This is an innovation on the part of the group and according to the president, F. C. Swiger, will be an annual affair with one of the members acting as Santa and presenting candy and toys.

It is hoped that, as time goes by, it will be possible to stage two one-act plays using the children exclusively to make up the cast for the show and extending to Mrs. William Pinkerton, chairman of the committee for the party, a good deal of talent has been shown by some of the youngsters and the majority seem anxious to show what they can do.

A few have appeared in the regular three-act plays staged during the past season and were enthusiastically received by the public. If these plays show merit it may be possible the children can invite their young friends to attend.
