

William W. Jones Heads Local Masons

Want to Save Money !!

Ladies, how much do you pay a baby-sitter for a 3 1/2-hour "sitting"? Well, for that amount each week you can own a new General Electric Portable Dishwasher—and say good-bye to kitchen slavery forever! At Leonard's it costs only \$179.95—\$18 down, and 104 weeks to pay. And it's completely portable! Just plug it into a convenient outlet and attach the hose to the hot-water faucet. No installation, so no installation charges. If you move, just take it with you. When you use the General Electric Portable Dishwasher, your dishes, glasses, silverware, even pots and pans come out HYGIENICALLY clean, because they're washed in water hotter than your hands could stand. See the General Electric Portable Dishwasher at LEONARD ELECTRICAL CO. today!

Alter Home Plans

The board of the Greenfield, Beverly Hills Improvement Association had its regular monthly meeting in the home of Claude E. Sharp of Amherst last Wednesday.

Sharp reported that the evening was spent in discussing house plans up for approval, and that one was turned down.

They are working hard to get the builders to change the outward appearance of the homes. To many of one style are being built and the association feels that if the people building are made aware of how common their homes are in the neighborhood, they will be pleased and happy to change the face of it before they actually get construction under way.

Those present were Claude Whipple, Ken Hoover, Art Laffoon, Bill Collins and E. Saltz.

Timothy Dennis O'Day

When the Peters on Beverly road were contacted this week for news, they thought it worth mentioning, The Peters, as most of us know, the Peters, as most of us know, are very active and their weekends are always buzzing. This week her response to our query for news was "We didn't do thing. Sat home all weekend and in fact for over a week." "Why?" we asked, wondering if someone was ill. The secret was out. About a week ago they became the proud owners of an Irish setter puppy, just 10 weeks old. His name is Timothy Dennis O'Day, and that's all of Libby's waking hours. When it comes to leaving him at night he cries so pitifully that they just can't leave him. So, if anyone would like to catch them at home or now for they will be there.

Mr. and Mrs. John Simmers of Sheridan drive have Timothy Dennis O'Day's breeder, Kerry O'Day.

Violinist

The Birmingham Musicals will meet at two o'clock today in the Community House. One of our guests, Mrs. William H. Hoenes of Hillcrest Boulevard will play the violin. She is accompanied by her mother, Mrs. Eldred. Mr. Carl Hesse and Mrs. Lawton Tabor are on the tea committee.

What the Clubs Are Doing
