THERE'S NOTHING ELSE LIKE IT!
ONLY FRIGIDAIRE HAS IT!

Live-Water Washing!

... Giving You Easier, Quicker Wash Days!

In the Frigidaire Automatic Washer Live-Water action washes your clothes cleaner with rolling currents of water—no pulling or yanking by metal parts—clothes hardly touch even the tub itself!

Frigidaire's Live-Water washing really gets clothes clean. Rolling, penetrating currents of active water carry clothes from top to bottom of the tub time after time, saturating every inch with hot, sudsy water. Clothing floats free—doesn't scuffed

by-rolling or tumbling. Live-Water washing makes light work of heavy blankets, sheets, gets grimeiest work-clothes clean, yet gently protects sheersiest lingerie. And the same Live-Water action that gets clothes cleaner, rinses them brighter.

Only FRIGIDAIRE AUTOMATIC WASHER has all these other features.

Do Finger-Tip Washing with the Select-O-Dial

Set the Select-O-Dial only once. Washer fills, washes clothes, rinses them twice in clear water, spins them damp-dry, cleans itself and shuts off. For special jobs any cycle of washing, rinsing or spinning can be started, stopped, repeated at any time.

Rapidry-Spin Gets Clothes Pounds Lighter

The Rapidry-Spin on the Frigidaire Automatic Washer spins more than twice as fast as most other washers—spins clothes so light, so damp-dry there are no messy drippings, no heavy loads to lift and carry. In fact, clothes come out so dry some are ready for immediate ironing.

**Vibration-Free —
No Boiling Down**
Your Frigidaire Automatic Washer can be put almost anywhere, is so steady and quiet a glass of water won't spill.

**Soap Dissolved
Under the Water**
Under-water distributor releases soap only after it has changed to active suds. Eliminates possibility of soap spots.

**Loads From Top —
No Stopping, Banding**
Top loading is full width. Convenient, labor-saving. Top can be lifted during washing action to add or take out clothes.

**Usable Flat Top —
An Extra Work Shelf**
The Frigidaire Automatic Washer has a usable flat top. It's another shelf in the laundry. Porcelain withstands wear.

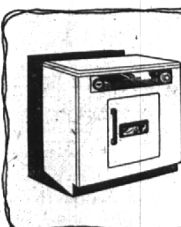

**Lifetime Porcelain
Inside and Out**
Frigidaire Automatic Washer is finished in Lifetime Porcelain. Rustproof, resists scratching. Only Frigidaire has it.

**Automatic Mechanism —
Simple, Dependable**
