**Important Prelude to the WEDDING**

HAVE YOU been invited to the wedding? You have! Just a word, then, about an important prelude: Before the strains of the wedding march, and the vows; before well-wishing relatives and friends joyously gather; before all this there is this important prelude!

It is the selection of a Gift which will best convey your wishes for supreme happiness to the bride and groom.

A Wedding Gift from LaBelles is that kind of Gift! It immediately becomes your assurance of quality, correctness, and that indefinable something which will mean lasting satisfaction. Yes, it will be a Gift quite apart from the ordinary.

Thus you can know, in advance, that it will gratefully be received and that you will be fondly remembered for having chosen well. Naturally, we will wrap it for you in the distinctive LaBell's way which will make it, even more, best say "Good Wishes" and "Congratulations!"
