**Baldwin Library Adds 33 New Books**

By Larry Young  
The Baldwin high school library has added 33 new books to its shelves within the last two weeks. Among the fiction are "Good Earth," "Mary Peters," "Silas Crockett," "Windweaver," "Big Fisherman," "Drama Along the Mohawk," "Uncle Remus," "Moby Dick," "Typee," "Syrin Yankee," "Monieur Beaucaire," and "Ethan Frome".

The non-fiction are "Babe Ruth Story"; "10,000 Jokes, Toasts, and Stories"; "Soldier of Democracy," "Dwight D. Eisenhower"; "Lucky To Be a Yankee"; "Unseen Harvests"; "Indians of Today"; "Theodore Roosevelt, Strenuous American"; "Basketball Illustrated"; "Income and Economic Progress"; "MacArthur of Bataan"; "Industrial Price Policies and Economic Progress"; "America's Capacity to Produce"; "Roosevelt I Knew"; "Michigan"; "Last Billionaire, Henry Ford"; "You and Heredity"; "Statistical Abstract of the United States, 1948"; "Statesman's Yearbook, 1948"; and "United States Government Manual, 1948".

New Dictionaries  
"Appleton's New English-Spanish" and "Spanish-English Dictionary" and "Webster's Biographical Dictionary" were added to the reference table.

The book "Unseen Harvests" was a gift to the library by the Baldwin PTA in memory of Orren T. Leonard, mathematics teacher, who died in the fall of 1947.

Many more classes have been using the library this semester, and English classes will see two movies on its use March 1 and 2. Miss Inez Lautner is the librarian.

**Spring Dance Date Hunt**

Surrounded by Joan Patterson, Marynell Anderson and Sally Selover, Fred Weymar does his best to get dates for the girls in this scene from "Spring Dance", the Philip Barry play to be presented by the junior class of Kingswood School auditorium. Pictures in the school annual, held by Joan, provide clues as to the appearance of the girls' prospective partners.

**Dennis Glen Cooper Addresses Assembly**

"Touring Glorious Michigan" was the theme of a talk given by Dennis Glen Cooper at the Baldwin assembly last Thursday afternoon.

Cooper, world traveler and explorer, recently appeared at the Detroit Institute of Arts with his films on Michigan, which include

another on his prehistoric copper exploration on Isle Royale.

At present he is head of the exact science department at Sherrard Intermediate School in Detroit. Colin Campbell introduced the program.

The Government paper work in connection with veterans' benefits is costing \$200 per year per veteran—not the benefits—just the administration of the benefits.

**News Notes from Vaughan School**

Following six weeks of successful student managed study halls, those students whose conduct has been without demerit have been issued honor passes. These passes permit the student to leave the study hall for the building or playground, but not leave the school grounds. They will be effective for the ensuing six weeks, conditional upon good conduct by the student and continued scholarship. Inferior work in classes will rescind the pass. The passes were issued on Friday, and as that day was unseasonably mild, several honor pass students enjoyed themselves on the school baseball diamond.

**Bargains In Postwar Cars**

The recent, much publicized drop in the price of late model used cars has brought high grade postwar transportation within the reach of modest pocketbooks. This is proved by the wide selection of postwar cars of many makes and models being offered for sale by Tom McDonnell, Inc., Authorized Lincoln-Mercury Dealer, 850 South Woodward Avenue, Birmingham, Michigan. In spite of their low prices these cars are offered on attractive terms and are backed by the dealer's responsible guaranty.

BRILLIANT STYLING . . . PERFORMANCE

*Sparton-Television*

with Sparton's exclusive Automatic Brightness Control (see below) . . . and a real money-saving, "no middleman" price tag

\*Exclusive Sparton Automatic Brightness Control means pictures always tuned to the same degree of brightness, automatically!

YES, SPARTON eliminates one of television's greatest bugs— . . . changing degree of brightness. In ordinary TV pictures, the image washes out when it is too bright, blurs when it is too dark. Sparton's exclusive Automatic Brightness Control always assures pictures of just right brightness. No fading. No glare. Nothing but TV pleasure from your Sparton!

Always right for easy sight
