

First Baptist Church News

Next Sunday the church will participate in a "World Peace Offensive." At the 11:00 a.m. morning worship service, the Rev. Emil Kozits will speak on "Patriotism—Plus!" A special feature of the service will be the reading of the newly-drafted "Affirmation for Peace."

The "School of World Missions" came to a conclusion last week. Highlight of the occasion was the mission quiz in which two able men's teams participated. Leonard J. Ryan was the captain of one team, and associated with him were Thelma Wells, Roger Jackson, William Richardson and Leonard Gunn. Captain of the other team was Francis E. Pomeroy. Other members were Carol Griffin, George Jackson, Earl Bramblett, and Bertram Johnson. Total attendance for the school was nearly five hundred.

Last Sunday was the initial appearance of the new church school orchestra. This growing musical organization will continue to provide sacred music for the Sunday programs of the school. Additional musicians will be welcomed into the group, according to Charles G. Thurston, who is heading up the project.

The senior high group of the

Baptist Youth Fellowship meets the church every Sunday evening at 6:30 p.m.

Special Observance

Plans are being completed for the observance of the 15th Anniversary of the pastor's ordination to the ministry. The occasion will be marked on Sunday, March 6, with special features at the morning worship hour. In the evening there will be a social hour at which the guests to be honored will be the pastor and the new members received during his present pastorate here.

The advisory board of the church has designated March as "Lenten Loyalty Month." During the month there will be timely features included in both the morning worship services and the midweek meetings on Wednesdays.

The modern gymnasium of the church is being utilized increasingly during the winter season. Last week ten different groups of children, youth and adults were in the gym during the day and in the evening. Four basketball groups matched skill and speed on the gym floor.
