League of Women Voters Meet in Groups to Discuss United Nations

League of Women Voters members, neighbors and friends are learning more about the United Nations through a series of informal discussions sponsored by the members of the board of the League.

Mrs. Stanley Cain, United Nations state chairman, says, "What we want to do is arouse interest in the United Nations. On occasions of this sort, we don't want to dispense information. The aim is to keep the discussion easy and free—wrestling—a give and take of opinion and questioning."

Mrs. Phillip Pretz, Wing Lake, was hostess to her group Thursday, Jan. 27, for a 10 o'clock coffee with the UN discussion following. Those who attended were Mrs. Fred Black, Mrs. Berman, Mrs. G. Clark, Mrs. R. H. Dickenshire, Mrs. B. K. Harding, Mrs. W. J. Kelly, Mrs. Laurence Lefcos, Mrs. W. Williams, Mrs. Abraham Levin, Mrs. J. F. Mitchell, Mrs. John Roland and Mrs. S. G. Schumacher.

In inviting her guests, Mrs. Pretz asked "Would you like to listen to and take part in an UN discussion over your cup of coffee? Some of us aren't sure whether a double veto is the same as a double whammy, but we think you'll find a few ideas, don't you?" Four general questions on the UN were discussed by this group with Mrs. W. Williams acting as moderator. 1. Do you think there will be a continuing need for some kind of United Nations to regulate nations in problems insoluble individually? 2. What is your opinion of the operation of the UN to date? Success? Failure? 3. Should its machinery be strengthened? 4. Can you as an individual do anything to help the UN?

Dessert Discussion

On Monday, Jan. 31, Mrs. Charles Blunt and Mrs. William S. Howell were joint hostesses at a UN dessert-discussion in Mrs. Blunt's home on Cedar drive at 1:15 p.m. Miss Joanne Lloyd led the discussion. Their guests were Mrs. Karl Ketchum, Mrs. Lumbie, Mrs. Cyril Lewis, Mrs. Walter M. Lippo, Mrs. Howard Liverance, Mrs. Neil McMath, Mrs. John May, Mrs. John Ramsey, Mrs. L. B. Sappington, Mrs. Leonard Lewis, Mrs. S. Gordon, Mrs. Robert Schilling, Mrs. Ernest Sealhorn, and Mrs. F. W. Swain.

Mrs. Covert Robertson was hostess to a group of League members, friends and neighbors at her Lake Park home on Friday, Jan. 28, for dessert and UN discussion at one o'clock. Leader of the discussion was Mrs. Joseph Hindlikey. Those planning to attend were Mrs. W. B. Mainland, Mrs. T. A. Griffin, Jr., Mrs. C. M. Marley, Mrs. W. M. Milligan, Mrs. Robert Fowler, Mrs. Le Roy Kiefer, Mrs. F. P. Akorn, Mrs. Chad Ritchie, Mrs. J. W. Stark, Mrs. Donald Fairbairn, Mrs. William Gordon and Mrs. Paul Robertson.

Mrs. Swantz Hostess: Friday, Jan. 28, was also the day of the UN dessert-discussion held at the home of Mrs. Blunt Swantz on Dorchester. Mrs. T. Hollister Mabley and Mrs. William Selover were assisting hostesses. Mrs. Robert Ball led the discussion on the food and agriculture organization. Mrs. Carl Allen on the security council and its difficulties; Mrs. Arthur McDonald on treaties; and Mrs. Russell Barnes on her impressions of the UN meetings which she visited. Other guests attending discussion were Mrs. Reginald Smith, Mrs. Marilyn Taylor, Mrs. Richard Hatch, Mrs. H. G. Bowles, Mrs. French McCain, Mrs. H. G. Middleton and Mrs. Ernest Elliott.

New Officers of Sigma Beta Local Chapter Installed

Lambda chapter of Sigma Beta national sorority recently installed its officers for 1949 at a candlelight service. Betty Coons of Berkeley took the oath of office as president of the chapter and Mrs. Duane Bixby of Chapel Hill as vice-president.

Mrs. Robert E. Townsend, Jr., of West Lincoln is the new recording secretary for the group and Mrs. William Rupprecht of Webster street is the treasurer. Mrs. James Bemister of West Brown street will act as corresponding secretary.

The chapter's first business meeting of the year was held Wednesday at the home of Mrs. Everett Austin in West Bloomfield.

Three new members, Shirley Coons, Leonore Richardson and Mrs. Clayton Kellogg were initiated at a formal ceremony following a dinner at the Fox and Hounds Inn recently.

The local chapter, now in its seventh year, is one of four Michigan chapters of Sigma Beta. Thirty-five other chapters of this charity organization are located from California to Washington, D.C. For many years Sigma Beta devoted its charity funds to the purchase of blood plasma, and after the war other agencies took over this work. Sigma Beta turned to the field of child welfare. The organization is now endeavoring to purchase a home and grounds for orphaned girls at Fort Wayne, Ind.

An electric flow meter that operates on the outside of pipelines to avert corrosion or clogging of meter parts has been developed to measure and control more effectively the rate of flow of highly corrosive fluids and aviation gasoline.
