"Much of this work is on a national scale but several families are located in Oakland County," she said. "There are one family which is seeking clothing for their children. They have a baby five weeks old and four little boys from two to eight years. The father of this family is hospitalized, at present, and will probably be there for some time. They are Oakland County people, and need our help." Mrs. Snyder asked members to bring articles of clothing for these youngsters to the meeting being held this (Thursday) evening at 8 o'clock in the Community House. Gifts of canned goods and other non-perishable foods are also sought for local families who are seeking help at this time.
