Community Picnic!

Plans are all completed for the community picnic this Saturday. Festivities start with a ball game at four o'clock to be followed by games for the children. This part of the program is under the direction of Mr. and Mrs. Hugh White. At six there will be a pot luck picnic and later a musical evening with Irwin White in charge. Everyone in Franklin is invited and those in charge hope that some of the newcomers will take advantage of this get-together to get acquainted.

Riverview Rd. News

Riverview road seems to house some of Franklin's top get-togethers. Glen Shoemaker is home from an extended business trip to England. His next door neighbor, Harold Conner, is back from a flying trip to France. Across the road, the William Hawthorths enjoyed a fish dinner Monday night as a result of Hawthorth's recent fishing trip at Cape Vincent in the Thousand Islands. And the Robert Mitchell family is home from a vacation in northern Michigan. That's four out of four, tho' the stay at home parts of the families may dispute this.

Baby Shower

Twas a baby shower Mrs. Dwight Essig and Mrs. Win Conrad had on Thursday, July 14 for Mrs. M. D. Millard. Eleven of Mrs. Millard's friends gathered at Mrs. Essig's home for the shower and dessert tea. The table was daintily set and was centered by a Japanese umbrella of lavender silk decorated with ribbons and real flowers which complemented the Dresden china.

Here and There

Mr. and Mrs. Thomas Riek left on Tuesday morning for a three weeks trip to Mexico City and other points of interest in Mexico. Mr. and Mrs. John Graham are back from vacationing up Wisconsin way. While gone they visited their son Jack and Bob Hinman at their camp near Siren, Wis.

Mr. and Mrs. Thomas Cauley and Michael and Jon are back

from a visit with Mrs. Cauley's family in Iowa.

Mr. and Mrs. Don Tracy with their sons Bobby, Tommy and Billy have returned from a vacation at a northern Michigan lake.

Summer at Home

The group that has been golfing and pot lucking every Monday are enjoying summer at home. Each week the Charles McKinley's, the Harold Roseberrys and the Cliff Baughs meet with friends from Detroit for golf and a get-together at one of their homes. This past Monday, fourteen people ended up at the Baughs for a pot luck dinner.

Pot Luck Season

It must be pot-lucking season. Last Thursday, July 14, the Win Hinmans, the Wesley Leonardas, the Cliff Baughs, the Harold Roseberry's and the Charles McKinleys met at the Leonard's for a pot luck dinner before attending the performance of 'Milky Way' at the Will-O-Way theatre.

Mrs. Win Hinman and Mrs. John Hill took their husbands along last Saturday to the pot-luck supper meeting of their child study group. The picnic was held at the Watts Shelley cottage at Union Lake.

On Tuesday, Mrs. Win Hinman with Kitty Ann and Mrs. John Hill with Martha and Hoyt joined the other members of their child study group and their children at the Pontiac Yacht club for a picnic.

The Winner!

Important, and somehow overlooked, was word of Barbara Hawthorn winning first in the Junior horsemanship English event at the show on the LG ranch near Plymouth. Barbara was riding Lady Fether, belonging to Mrs. Marta Hays.

Plan Country Fair

At the Friendly Circle pot luck luncheon and meeting on Wednesday, plans were discussed for the big fall event, the Country Fair which will be held here on the week-end of November 5. Seems like a long way off but there's much to do. The committee will be happy to hear from anyone who is planning to contribute, and there's something everyone can do. For those who can't knit or crochet or sew or bake there'll be a booth for home canned goods, another for jewelry and ceramics, one for hand painted Christmas cards, Christmas tree decorations, dolls and certainly everyone can contribute to the white elephant booth. Mrs. Glen Shoemaker and Mrs. Dick Rocamora are co-hostesses, representing both the Friendly and Evening circles.

Bible School Program

Quite a turnout of parents, grandparents, little and big brothers and sisters were on hand at the town hall last Friday evening for the opening of the members of the Vacation Bible school their accomplishments of the previous two weeks. Each of the departments had a display and they all took part in the program. The four- and five-year-olds sang a song, and they really sang. There was a quiz program (do you know the size of a hummingbird, nest and egg?) and some group singing. The successful climax to a successful two weeks in which over 70 young people took part.

Home Again

Tom Outland, of the Outland Stables, idol of the Franklin youngsters has returned home. He was injured slightly last week in an automobile crash.

Theatre Bound

At last count there were 35 reservations for the Evening Circle pot luck tonight. The group will meet at 7:15 at the picnic grove of the Will-O-Way theatre. They will attend the performance of 'Here Today', following the picnic dinner.

Birthdays, anniversaries, guests, births, parties are all news—call the society editor about them.
