For ten weeks the children of Southfield Township will have free movies at three schools, as a speciality sponsored by local merchants in cooperation with the summer recreation program. The National Forests provide various types of recreational areas. They include scenic drives for motor cars, improved streams and lakes for boating, swimming, and fishing, hunting, club houses, resorts, lodges, camps, over-night cabins and playgrounds for public use; reserved, natural, primitive, experimental and game areas for public enjoyment, preserved for scenic appreciation, and many other outstanding natural features.

shows are scheduled for 8:30 p.m. Mondays at Brace; Tuesdays at McKinley; Thursdays at Southfield schools. The movies are available to all.

Recreation Activities

Brace school of Southfield Township has 110 enrolled in the summer recreation program which consists of archery and badminton, baseball and a checker tournament. Margaret Robertson and Dick Morgan are the leaders to date.

Magnolia school has on its agenda for the recreation program, handicrafts including charcoal sketching, baseball, swimming at Rouge, square dancing with Louise Ward as instructor, and archery. Last week an archery expert gave a demonstration, which the children are eager to grasp and perform.
