

Legion Post Will Offer Aid to File Insurance Claims

The newly elected officers of Charles Edwards Post 14, American Legion, were installed July 25 by the ritual team of the Oak-

land County Vulture, No. 811, Forty and Eight. The work was under the direction of Ernest Rinke of Ferndale. The following will guide post activities during the coming year: Jack Emerson, post commander; Jim Martin, senior vice-commander; Ronnie Hall, junior vice-commander; Charles Howard, adjutant; Bennett M. Brown, chaplain; Dick Dewey, historian; Clark Groves, sergeant-at-arms and Howard Breittmeyer, finance officer.

Eugene Beers, assistant postmaster here, will continue as post service officer. Al Vos will be athletic chairman and in charge of poppy sales for the coming year. Post Commander Brown was paid special tribute by Forden Niles, senior vice-commander of the 17th district association. He was congratulated on his successful year, and his record held as a challenge to the incoming commander.

A new flag was turned over to the caretaker of the Post home after being presented to the Post. It will be flown daily over the home. It was announced.

The VA expects to pay out approximately \$2,800,000,000 in these refunds. Payments, per veteran, are expected to average about \$175, according to the VA, Emerson stated.

Emerson urged that applicants file their requests as quickly as possible because of the huge volume which will slow down handling. He added that the American Legion was launching the biggest campaign in history as it started to seek out every veteran eligible for these refunds.
