Los Angeles when the city was struck by a severe windstorm. "Like all pedestrians," Cantor related, "I fled for cover. Something drew me from the stores to a building across the street. I stood in the sheltering doorway for several minutes before I realized, I had taken refuge in a church—and it set me thinking.

Church Survives

"The world is going through something far more threatening than a windstorm. Every single one of us needs refuge of one kind or another, and I know of no better place to go than the church. You know, the church must be a very strong and righteous thing—for it has survived every enemy it ever had!"

The invocation and benediction for this, the 1949 Baccalaureate service of Baldwin high school, was pronounced by the Rev. Harold Towne of St. James Episcopal. The members of the Baldwin high school choir sang "The Lord's Prayer" and "Hear Our Prayer, O Lord". Organ selections were played by Nancy Chesna, a member of the graduating class.

Building Increases Noted in Past Month

E. S. Clark, acting building inspector for the City of Birmingham, shows in his report that 56 building permits were issued here, during the past month, totaling $358,295. This figure indicated a sharp rise over the previous month when a total of $125,604 was given. The same month in 1948 saw 69 permits issued for a total of $1,298,215, the highest figure ever recorded for a single month.

The permits issued include 17 new single family residences and alterations on 16 others. Others included alterations on business places, addition to one church (St. James Episcopal) construction of new private garages, additions to private garages, construction of two basements and foundations, one tool shed, and one building to be razed. One permit was renewed.

Recreation

(Continued from Page One)

would like to continue with more expert assistance.

Now is the time to get into the act. Be it acting, directing, lighting, make-up, programs, publicity, or stagecraft there will be a spot for all those who wish to enter the field of summer dramatics. Plans have been made to offer a most varied program for all ages. Activities of this extensive event will be centered around the Baldwin auditorium and the Pierce football field.

Attempts will be made to provide classes for youngsters which will be conducted by the Birmingham Police Department. These periods will be devoted to informing local boys and girls about the importance of excellent police work, interesting phases connected with crime detection, the value of good safety knowledge, and the part they can play as individuals in promoting a harmonious and happy society.

Classes probably will be held at Barnum. It is hoped that this activity might be developed in time to include many Birmingham youngsters.

Weekly Golf Tourneys

Plans are being formulated for conducting weekly golf tournaments for teen-age boys and girls at Springdale park. No charge will be made for participants who secure tickets through the recreation department. Award certificates will be given the players who show the most improvement during the season as well as those who shoot the lowest daily and seasonal score.

Barnum pool activities have been expanded to offer more opportunities for younger children as well as providing additional recreational equipment for youths and adults.

The following tentative swimming schedule has been announced: beginning boys class number one will swim from 12:45 to 1:15 p.m., beginning girls number one from 1:15 to 1:45 p.m.; beginning boys number two from 1:45 to 2:15 p.m.; beginning girls number two from 2:15 to 2:45 p.m.; mixed intermediate from 2:45 to 3:30 p.m.; mixed advanced from 3:30 to 4:45 p.m.; and adults from 7 to 9 p.m.

Many Special Events

In addition to the expert swimming instruction which will be offered to non-swimmers and early beginners, extensive attention will be given to diving, flutter boards, swim fins, life rafts, water glasses, water games and contests, life saving, treasure hunts, and water carnivals. Season tickets for 40 swims may be purchased at the pool or swims may be paid for individually.

Special events days will be held for kite flying, bicycle riding, craft displaying, boys and girls swim nights, water carnival, junior track olympics, children's pageants, and the all-city picnic.

Activities again will be offered to all boys and girls who would like to flex their muscles and engage in some socialized competition.

Weather permitting, the following contests will be held on the dates listed: box hockey, June 22; straight checkers, June 23; Chinese checkers, June 24; rope jumping, June 27; penny hikes, June 28; roller skating, June 30.

Bubble Gum Contest

Ping pong, July 1; bubble gum, July 5; hopscotch, July 7; shuffle board, July 8; miniature golf, July 11; kite day, July 12; tether tennis, July 14; doll display, July 15; bicycle day, July 19; illumination, July 21; horse shoes, July 22; boxing, July 25; trampoling, July 26; tennis, July 28; craft display, July 29.

Jackstones, August 1; girls swim night, August 2; boys swim night, August 4; marbles, August 5; croquet, August 8; stilt walking, August 9; water carnival, August 10; picnic, August 11.

Contests for golf at Springdale, rifle shooting at the police range, and fencing at the Barnum playground will be announced later.

The Recreation Board also sponsors baseball, softball, and tennis teams.

Members of the board are William Allee, Mrs. William H. Jackson, Russell Berger, Harold Gasser, Dwight B. Ireland, Donald Egbert, William Martin, and Rolland Reese.

The program is directed by Frank Whitney. Additional information may be obtained by calling Birmingham 5500.

Bayley Captains Detroit Gold Hats to Victory Over the Pontiac Eagles

By Dorothy Kelly

The game between the Detroit Gold Hats and Pontiac Eagles Sunday marked the opening of the season and the new field at Middlebelt and 14 Mile roads for the Detroit Polo Club. The club was reactivated this year with an amazing membership of good polo players and magnificent ponies.

Volney Bayley, considered among the best players in polo, captained the Detroit Gold Hats to a thrilling victory over the Pontiac Eagles, 12 to 9. Bayley scored 5 of the 12 goals with Harold Troy a close second with 4. Al Poole, riding his Arabian horse Ses'a-me', accounted for 3.

Don McCarroll, captain of the Pontiac Eagles, was high goal man for his team, with five goals. Bob Peterson playing a beautiful game and scoring twice. Ray Williams, who shows great promise despite his youth, replaced Andy Sneddon in the third chukker when Al's famous mount "Baby Queen" became unmanageable.

Earl Gale Announces

Riding his prized sorrel "Little Bit," Bayley played his usual brilliant game, making good two of the three fouls called on the Eagles by Doctor Burdue, referee, and placing the third in scoring position for Al Poole.

Earl Gale announced two chukkers, though still on a cane as a result of a head-on collision in a game last July 4th at Columbus Ohio.

The half was highlighted by the showmanship and skill of two novice riders, Miss Rosemary Caswell and Miss Lynn Bennett of the Outlands' Stables, who put their horses thru a jumping show. Paul Williams of WWJ and WWJ-TV described the intermission show and the last two chukkers.

In a series of out-of-town games, the Detroit Gold Hats have met with defeat but once, the victors being the Poland team of Youngstown, Ohio on May 29. The Gold Hats came thru the following day at Akron with a smashing victory, winning again at Darlington, Pa. June 1 from the Poland team on June 3. They tied their game with Salem on June 5.

Mary Bayley, Fran Poole, and Dorothy Troy entertained the teams, their families and 80 guests at a buffet following Sunday's home game.

The Detroit Polo Club has tried hard to make the new field an outstanding one inasmuch as it is a full vision field with turf. Cyclone fencing has been used instead of the old board fencing. The stands which will seat 1,000 are well constructed and an electric scoreboard is being built. A large parking lot is at the west end of the field and club house, barns and field are enclosed by an English type fence.

The club holds a franchise in the International Polo League and the best teams in the country will be seen playing here this summer. Next Sunday the Gold Hats and Eagles will have another play-off game to see who will compete against Milwaukee the following Sunday. On July 3 the officers team of Culver Military Academy captained by Major Malle will play here.

There are games scheduled for each Sunday at 3:30 thruout the season and scrimmage days are planned for Thursday at 4:30.

The team line ups are:

Detroit Gold Hats

No. 1 Al Poole—Resident of Birmingham. Veteran of nine years experience played polo at Ft. Riley, Kansas while in military service. Has an excellent string of new ponies, which are fast developing into top line mounts.

No. 2 Volney Bayley, captain of the team, is rated among the top players in the nation. Starting his 26th season, he was born in Bloomfield Hills.

No. 3 Harold Troy, treasurer of the Detroit Polo Club. Dependable back who is starting his 6th season. Troy was born in Detroit and is now a resident of Farmington.

Pontiac Eagles

No. 1 Bob Peterson is one of the most promising new players developed since the war. Makes his home in Detroit.

No. 2 Don McCarroll, vice-president and captain of the team. Veteran of many years experience. McCarroll was born in London England, played, trained, and developed polo ponies at Joy Farms in Milwaukee and in Detroit.

No. 3 Andy Sneddon was born in Wales. He is starting his 21st season as a polo player, noted for long back shots, rated one of the best horseman in polo circles.
