

Ruth Irene Watson Becomes Bride of Robert Andrews

Soroptimists Hold Joint Installation

The Soroptimist Clubs of Pontiac, Mount Clemens, Ferndale and Birmingham held a joint installation of officers and members at the Carousal dining room this past Sunday.

A candlelight ceremony in the First Methodist Church was the scene of the wedding on Saturday evening of Miss Ruth Irene Watson and Robert Phillips Andrews.

The bride is the daughter of Mr. and Mrs. Andrew N. Watson of Bird street, and the bridegroom's parents are Mr. and Mrs. Russell Andrews of Detroit.

The full skirt was draped into a bustle and then swept into a cathedral train. A Juliet cap of

Mrs. Robert Andrews

satin designed of the same scallops as the bertha held her fingertip veil and she carried an arm bouquet of white calla lilies.

Miss Elaine Marcotte, maid of honor, was attired in tangerine crepe cut with a plunging neckline, cap sleeves and a draped apron effect gathered into a bustle which fell to the floor in unexpressed pleats. Her matching headband was of gathered maline and she

carried blue iris and bird of paradise flowers.

The bridesmaids including Miss Nancy Burnie of Pleasant Ridge; Miss Marjorie Deibel of Bloomfield Hills; Mrs. Della W. Wetherby of Birmingham; and Miss Mary Jane Lundeen of Detroit, wore gowns identical to the bride's. Their flowers also matched Miss Marcotte's.

Edward Butty of Birmingham served as best man and the ushers were Donald Raisien and Robert Adams, both of Detroit; Glenn Watson of Birmingham; and Andrew S. Watson of Philadelphia, brothers of the bride.

For her daughter's wedding, Mrs. Watson chose a floor length gown of a toast shade with matching hat and a green orchid corsage.

The reception was held following the nuptials at the Community House. As the couple left on a wedding trip, Mrs. Andrews was wearing a beige gabardine suit, a natural straw hat with dark brown accessories and had pinned gardenias to her shoulder.

Former Detroiters, Mr. and Mrs. L. B. Crabbs and children, Leslie, Jr., Gary and Timothy, now living at 1863 Hazel? Mr. Crabbs is a printer with Wolfe, Incorporated.

Announce Marriage Of Miss Campbell To James S. Watt

Power-wower!
Come in—learn about the 5 basic advantages of Packard high-compression performance!
1 It's s-m-o-o-t-h-e-r—because this Packard's mighty 135-hp engine is not just an eight... it's an advanced design, precision-built Packard eight—with new advancements that make it smoother, quieter than ever before!
2 More responsive, because of "free-breathing" engine design. Sample its nimbleness in traffic... then go out on the open road and discover "safety-sprint" reserve power.
3 Thriftier! Today's Packard is writing the gas economy news of the fine car field!
4 More durable! Because it's built to Packard standards of design, materials, and workmanship.
5 And it stays in tune! Simplicity of design and installation makes it easy to maintain the peak performance of this husky Packard eight.
