FRANKLIN MEALS BY BETTY LEWIS Phone LONGCRE 5-3858

Herbert M. Shueller, who teaches literature and music in the humanities department of Wayne University, drew many a chuckle from his audience when he spoke to the assembled Franklin PTA members at their meeting Monday night. Shueller spoke on the auditors, arts and record collecting.

The record library committee, headed by Mrs. John Runsey, is deep in its campaign to get the record library going Monday night at the monthly PTA meeting. The committee arranged for an exhibit of desirable records and suggested that anyone wishing to make a contribution might make a selection and donate the money.

With Lent limiting activities, members of the ways and means committee of the Friendly Circle, assisted by the Evening Circle, are planning a fund-raising party, Saturday, March 19. Mrs. John Odoi, ways and means chairman, has arranged that Mrs. Vernon Scher, Mrs. Charles McKinley, Mrs. H. F. Weisinger, Mrs. Art Neil and Mrs. Dick Oberschulte will be her assistants.

There've been some changes made. Announcement is made that the March meeting of the Friendly Circle will take place at the town hall on Wednesday, March 16. There will be a pot luck lunch at 12:30 with Mrs. H. F. Weisinger in charge. Mrs. Ralph Woodburn, program chairman, reports that members of the drama group of the Literary Society of Detroit will be on hand to present a one-act play entitled "When Shakespeare's Ladies Meet."

The March meeting of the Franklin Evening Circle will be held at the home of Mrs. E. E. Lewis on Crestwood drive at 8:30. Thursday evening, March 17, Mrs. Donald Tracy, program chairman, reports that Mrs. Ed Green will give a book review of that very title, at least to parents, book, "They Come Cheaper by the Dozen." There will also be some get-acquainted games. Mrs. Franklyn Collins and Mrs. Albert C. Carr will have charge of refreshments.

WAIT FOR PD DAY SATURDAY MARCH 19 Carroll F. Chatham of San Francisco above, grows his own emeralds. Since 1946, Chatham has been turning high-grade quartz crystals into marketable emerald carats. It's a long, arduous job, Chatham advises prospective emerald growers, and only six per cent of the stone crop is worth anything.
