**GIRL SCOUTS**

Buy UN Flag

Troop 5 composed of seventh grade Girl Scouts at Barnum school, as a result of their study of World Scoutship and other work in the field of international friendship, recently decided unanimously to purchase a United Nations flag and present it as a gift to the Birmingham Girl Scout Council.

The flag, a six foot banner, arrived last week and was immediately offered to the League of Women Voters for use at their United Nations rally. The theme of Girl Scout's 37th birthday "Come Along With Us" is an invitation from this troop whose members are proud to belong to a national and international organization dedicated to the development of good citizens, peace and understanding among young people of the world, as well as friendship and individual development.

Mrs. Eleanor Gallis is leader of Troop 5 and is assisted by Mary Lu Brunsberger.

In the Frigidaire Automatic Washer Live-Water action washes your clothes cleaner with rolling currents of water—no pulling or yanking by metal parts—clothes hardly touch even the tub itself!

Frigidaire's Live-Water washing really gets clothes clean. Rolling, penetrating currents of active water carry clothes from top to bottom of the tub time after time, saturating every inch with hot, sudsy water. Clothing floats free—isn't scuffed by rolling or tumbling. Live-Water washing makes light work of heavy blankets, sheets, gets grimeiest work-clothes clean, yet gently protects sheerest lingerie. And the same Live-Water action that gets clothes cleaner, rinses them brighter.
