

# COMING... NEXT WEEK!

FLOOD

HURRICANE

EXPLOSION

FIRE

## But Where?

It might be here! It might be anywhere in the United States. The Red Cross participates in an average of six disaster relief operations every week.

In 303 disasters last year the local chapters of the Red Cross were on the scene at once, had relief organized in a matter of hours, served as the funnel

through which flowed the nation's sympathy and help. Your contributions brought temporary housing... emergency food supplies... medical and nursing care to 312,400 victims. Later, thousands of these victims received long-term rehabilitation aid.

To carry on this mission of mercy, the Red Cross once again asks your help. So won't you give, and give generously?

You, too, can help through  
Your **RED CROSS**
