

### Boy Scouts Present Variety Show Apr. 8

Members of the Poppleton Boy Scout Troop 13 will present a magic and variety show in the school next Friday, April 8, beginning at 8 p.m. The program will consist of sev-

eral displays of magic by Trevor W. Macdonald, humorous sketches by Sid Sankowich, community singing, and information concerning the Scouts, followed by the "boys of today and leaders of tomorrow." Refreshments will be served during intermission.

All of the gang at the Club seem to have a touch of spring fever. On Tuesday evening, March 22, they all seemed content to take life easy. Nice work if you can get it. As for the rest, oh yes Bill Morrison, Bob Erwin and Johnny Day were giving the pinocchio cards a trial spin. Bill Mutch, Ellis Fernie, Betty J. Mann, Dick Stuart, Marg Walker and Johnny Marks had wings on their feet and were stealing the lime-light from Arthur Murray.

Last Thursday evening the 19-30 Club had as their guest speaker, Mrs. F. G. Garrison who has lived in South America. Mrs. Garrison's talk was a brief outline of her travels in South America and on the economic conditions of these countries. Everyone at the 19-30 Club hopes we will have the pleasure of listening to her again.

Attention square dancers! The 19-30 Club is having a square dance this Thursday evening, March 31, down in the Ranch Room. Grab your partner and swing around. This ends the entertainment for the month of March, and the March committee from the gang, thanks for a lot of fun and terrific entertainment.

On Sunday March 27, it felt like everyone had bowling in their soul. Jeanne Gibbs certainly had a hard time trying to keep score for everyone. Al Larsen suggested we form teams for a little competition bowling, which took from Virginia Brockelley, Ellen Fernie, Del Fols, Don Leslie, Ken Moore, Al Larsen, Mike Fitz-Gibbon, Anita Peterson, Hugh McKay, Chuck Kleinsmith, Neil Wakefield, Bill Larson and Bill Straton. Our teams were chosen. It was really a lot of fun. Guess we'll have to try it again next Sunday.
