

Dates Extended for Cancer Fund Drive

Mrs. George Powers, chairman, announces that the drive has been extended through May 15. At the American Cancer Society, an- close of the official campaign, ap-

proximately one-third of the local quota had been raised. The local schools, according to Mrs. Powers, conducted their cam- paigns for funds last week.

A fast carrier task group of World War II could throw 200 tons of metal a minute at attack- ing aircraft.

LEONARD'S Startling Announcement!

We Will Protect You on Any Price Drop on

GENERAL ELECTRIC MAJOR APPLIANCES

Between Now and October 1st, 1949

There is absolutely no need to delay your purchase of General Electric appliances for fear of a possible price reduction. To the best of our knowledge, there is no basis for a price reduction. G-E values are down to earth. BUT here's our guarantee to ease your mind.

Here Is the Plan

If, for example, you purchase a G-E Refrigerator or any other major G-E appliance, and if the price is reduced by the factory before October 1st, 1949, we will credit you with the amount of such reduction on the purchase of any other major appliance.

Mosquito control was considered at the regular monthly meeting of the Franklin Community Association held Monday night at the Town Hall. Henry Schellenbarger and Norman Olson of the Dunstair company of Gregory, Mich. and Angel of the Angel company of Farmington, told of the methods used by their respective companies. The matter was referred to the executive board for further consideration.

Also at the Community Association meeting, Irwin White reported that he had not as yet purchased the catcher's mask. He had found out by personal experience that there was a real need. Wonder if a black eye affects square dance calling?

Cliff Baugh was the speaker for the Sunday meeting of the Franklin adult discussion group. He talked on the problems of lithography and told much about this process that the average person would not know. The next meeting will be on Sunday, May 22.

It's the annual meeting and election of officers for the Friendly Circle next Wednesday, May 18, at Mrs. Homer Hyde's home on Franklin road. The nominating committee, with Mrs. Glen Shoemaker, chairman, Mrs. John Hill, Mrs. Harold Roseberry, Mrs. William Lovejoy, Mrs. Wally Zierer and Mrs. Al Grigg has a slate ready. Mrs. Charles McKinley will be in charge of the dinner and will be assisted by Mrs. William Hyland and Mrs. Nettie Morford.

Also election of officers for the

Evening Circle at their meeting on Thursday evening, May 19. This will be the first election for this year, having operated up to this time under a "steering committee". On the nominating committee are Mrs. Ben Harris, Mrs. Vera Seymour and Mrs. W. J. Rodgers. The meeting will be held at the home of Mrs. Ed Green on Hunter road. Chairman of the program committee for the evening is Mrs. Robert Mitchell who has announced a musical evening. Mrs. Ben Harris, Mrs. Frank Taylor and Mrs. Carl Elder will be hostesses for the meeting.

Plans are all set for the annual mother and daughter banquet for this Saturday night. Dinner is planned for 6 o'clock sharp, and a program for both adults and children. The Puppeteers of Detroit will be on hand with an original puppet show. There will be group singing. A father's committee will do the serving.

Glipped at the Bloomfield Garden club bridge party at Christ Church, Cranbrook, last week were Mrs. G. C. W. Walling, Mrs. Smith, Mrs. Carman Adams, Mrs. Walt Dreyer and Mrs. Emmett Zook.

Mrs. A. J. Turner of Grand Junction, Colo., expected today for a visit with her son, Irwin White and his family, at their home on Wellington road.

Tommy Tracy was six years old last Thursday and he celebrated with ten of his little friends. In spite of the heat, a peanut hunt and some stories were a great success along with the never-fail ice cream and cake. Tommy is the son of Mr. and Mrs. Don Tracy of Oak drive.

Friends of Mrs. Cliff Baugh's really let themselves go when it came to picking out things for the shower of little Bonnie Jean. She can hardly wait for it to get hot again to try some of the ruffled pinafors. The shower was given by Mrs. Ralph Woodburn, Mrs. Harold Roseberry and Mrs. Charles McKinley at the Woodburn home on Telegraph road last week.

Mother's Day had a special significance this year for the Ben Harris and Franklin Collins. For it was the day chosen for the christenings of small Dorothy Jean Harris and Terrence Stanford Collins.

It's simply not true that no one walks any more. Twice in the last few weeks, Don Hunter has walked from his home in Franklin to church in Birmingham and back. What's more, he says he likes it!

There's baseball on the green these days with adult supervision four times a week, weather permitting, as follows, Tuesday at 6:30 p.m.; Thursday at 6:30 p.m.; Saturday at 3 p.m. and Sunday at 3 p.m. This is a result of worthwhile community cooperation. Ralph Woodburn furnished professional canvas bases. Ed Green donated the backstop frame. Tom Risk, Bob Squires, Irwin White and John Runney provided the wire backstop and the Franklin Community Association is buying some baseball equipment. A number of men including Don Tracy, Bob Mitchell, Eamon Rutledge, Ford Ritter, Bob Squires, Irwin White and Tom Risk have volunteered to keep the grass cut. Bill Lovejoy is acting as secretary and coordinator to keep track of adults for supervision, and he would appreciate more volunteers to be called in case of shortage.

There'll be dancing on the green again come May 28. Mrs. Ford Ritter has charge of the program and there's much excitement about costumes and a great deal of on the side practicing. More of this later.

Another date to remember. The annual spring round-up of mothers of children who start school for the first time next fall. It's to be Monday, June 6 at the school. More details later.

Also the annual meeting of the Franklin Community church will be held on Sunday, May 29. Dr. Frank L. Fitch will preach that morning and will preside at the meeting.

Mrs. Ford Ritter is busy with plans for a bigger and better day camp this summer. Camp will open on June 20 and run for six weeks. It is planned for children from six to twelve years. The girls' cottage is about ready and the barn has been rehabilitated for the boys' clubhouse. Basketball has been added and there will be a pee-wee golf course.

The record committee reports that 10 adult record albums and 15 children's record albums were out during the month.

Tommy and Tommy's Brehm are home although Ted plans to return to Chicago this weekend. Mrs.

Discover America's 4-most Car

MOST beautiful...MOST roomy...MOST road-worthy... MOST all-round performance! See for yourself with a

Revelation Ride

Take to the road in the car "step-down" design made possible—the car with, not just "more," but the most of all the things you want most in a car. Ride the New Hudson—America's 4-Most Car!

1. Most Beautiful The car millions of Americans chose "First for Beauty." Most streamlined, lowest-built of all—yet with full road clearance.
2. Most Roomy! Amazing head room; the roomiest seats in any car.
3. Most Road-worthy! Not just "more,"—most road-worthy! Hudson, with its exclusive "step-down" design and recessed floor, achieves the lowest center

of gravity in any stock car. Result: safest, steadiest ride ever known! And to this, Hudson adds the advantages of unit body-and-frame construction.

4. Most All-round Performance! Your choice of two brilliant engines: all-new, high-compression Hudson Super-Six, America's most powerful Six, or the even more powerful Super-Eight. Center-Point Steering, Triple-Safe Brakes, Fluid-Cushion Clutch, Dual Carburetion, Drive-Master Transmission* for automatic shifting—many other high-performance, low-upkeep features only Hudson combines in one great car. *Optional at slight extra cost
