

Have a HAPPY HOLIDAY Weekend

Customers' Corner

Honesty and accuracy are "musts" at A&P.

We are proud of the high quality of our foods and the low prices at which we sell them.

But we prize above all else our reputation for fair, honest dealing. And we exert every effort to maintain it.

A&P prices are plainly marked on the goods, shelves or cases. A&P scales are placed where you can read them. A&P cashiers are trained to check your purchases quickly and accurately.

You can help us maintain our strict standards of accuracy if you will let us know should we ever make a mistake in weighing your purchase, or in adding up your bill or in giving you change.

No matter how slight an error might be, please write to:
