GIRL SCOUTS

The Brownies of Troop 10 at Pierce school held a Fly-up ceremony in the Girl Scout room at the Community House last Tuesday. Mothers of the 16 girls who received their wings were there.

Mrs. Andrew Thompson and Mrs. Merritt Olson have been the leaders of these Brownies for two years and in appreciation of her service to Brownies Mrs. Andrew Watson was presented with a gift by Mrs. Olson at the close of the program.

Father-Daughters
The second annual Girl Scout, Father and Daughter banquet was attended by 250 daughters and dads last Friday night at the Community House. The very night of the affair a reservation for the room was made with the Community House for next year.

Scouts Nancy Rice and Adele Toepfer brought greetings to those attending and the musical part of the evening was handled by Scout leader Polly Hanson. The tables were decorated in traditional Girl Scout green with miniature Scout dolls made of pipe cleaners.

When the tables were cleared away, each girl grabbed her dad and dad last Friday night at the Community House. The tables were decorated in traditional Girl Scout green with miniature Scout dolls made of pipe cleaners.

Fisherman Tosses a Big Net

Juan Montalvo, Puerto Rican fisherman, easily tosses a 25-foot net a distance of 40 feet at Cabras Island, P. R. He's been doing it for 45 years. The nets, called gatarayas, are made from nylon, and catch mullets, red snappers and other small fish.

homes and their clothing clean for a whole month with a piece of soap so pitifully small that it cannot possibly do the enormous job stated to do. That was the suggestion made in the April issue of the Girl Scout Leader magazine that Scout troops and campers collect soap or process odds and ends of discarded soap for shipment overseas by the American Friends Service Committee. This sounds like a project for summer camp.

Court of Awards
The Girl Scout Court of Awards will be held Thursday night, May 26 at the Community House at 8:00 p.m. Rank badges which are designed to show progress in a girl's all-round understanding of Girl Scouting will be awarded.

Q. What is the name of this cut of A. These are spareribs.
Q. Where does the cut come from and how is it handled?
A. Spareribs are cut from the side of the pork carcass. They are the ribs of the rib which have been removed from the bacon strip. The spareribs have a flat, gentlemanly appearance with a coating of fat. The ends of the rib bones are visible, as is the lean meat between the ribs.

Q. How should this cut be prepared?
A. Spareribs may be braised or roasted. Complete cooking is important to bring out the fullest flavor of the meat, so they are always cooked to the well-done stage. To braise the spareribs, first brown them in fat in a heavy utensil. Add a small amount of liquid and cook slowly, covered, for 2 hours. To roast, place the ribs on a rack in an open roasting pan and bake in a moderate oven (350° F) about 2 1/2 hours. To barbecue, roast the spareribs, basting frequently with your favorite barbecue sauce. Spareribs are also delicious when stuffed with a bread or fruit stuffing and roasted.
