## HECKERT'S RESTAURANT

(formerly Summer's Good Food)

All Kinds of Foods Are Good . . .

But, for health we need variety, our bodies are made of many materials which must be supplied by the food we eat. We must have food, food yields energy; food that supplies the material for growth and upkeep; and food to keep our bodies in good running order.

Use top quality paints for longer-lasting, better-looking homes.

USE  
**PONTIAC PROTECTIVE COATINGS**

It costs just as much in time and labor to paint your home with inferior paints as it does to use tested and proved Pontiac Protective Coatings. That's why it's economy to use these products—your home looks better longer—pointing is required less often. So when you paint this year, specify Pontiac Protective Coatings and be certain of a thoroughly satisfactory job.

We'll help you to secure the services of a competent painting contractor if you wish. Just ask us.
