More news on past Maple captains has it that Bob Webster, last year's swimming captain, is a swimmer swimming at the University of Michigan.

Eastern Michigan League cross country champ, Al Ravenscraft from Hazel Park placed fourth in the class A state run at Ypsilanti.

Gordon Shira, who is listed in the program as center on the Maple team, has a 29 yard per try average. He has carried the ball three times for 87 yards, all of this in last Friday night's game.

Details of the waste paper drive were announced at Tuesday's Cub Pack meeting by Leo J. Sheehan, chairman of the fund raising program. Proceeds from the waste paper will go toward financing Pack activities for the year, he said. An innovation in this year's paper collection project is that magazines and newspapers do not have to be used.

Each Den has established a central collection place to which Cubs are hauling the papers. On collection day, dads of the den will see that the paper is transported to Adams School, and loaded directly into dealers' trucks. The Den with the greatest amount of waste paper per boy will receive top prize in an inter-Den contest.

Persons having waste paper to contribute to the Cubs may drop it off at a Cub pack, by calling 664-J, it was announced.
