Why Don't You? "My old truck was just about ready for retirement, so when I heard that my Ford dealer was making big trade-in allowances my Ford Dealer was making, I decided to deal. If I had waited a few months longer, I would have had to take a couple of hundred dollars less for my old truck." -Ray Gligi, -Andrew Usden. "When I decided to trade in my old truck, I did a little shopping around to see how good a deal I could make. The best deal was at Ford! My old truck brought me \$75 more than my Ford Dealer than it would have at three other places!" -Ben Fleishman.

"When he topped the best previous offer by \$100, my Ford Dealer proved he was making the best truck deals in town. But that isn't all! I figure I made another \$130 by trading rather than waiting because used truck values were slipping so fast."
