WHAT a car! And what a royal welcome it's getting from value-wise Americans! Already, of the more than quarter-million owners of New Hudsons, over 120,000 are motorists who switched from other makes to own "step-down" designed New Hudson—and as a result, sales so far this year are over 30 per cent ahead of last year's glorious record. Result: the safest, steadiest, hug-the-road ride ever known!
