Customers' Corner

Is it wrong for us to give you more food for your money?
Is it wrong for you to shop at our stores if by so doing you will make our business grow?
Apparently the anti-trust lawyers, who are trying to put A&P out of business, think so.

Apparently the American people don't agree with the anti-trust lawyers, for many, many thousands of them are writing and saying:

"We like A&P and don't want them put out of business."
