The welcome mat is out... a cordial invitation to visit, to look at cars... and to look at us.

An "open house" is the best way we know to acquaint you with your automobile dealer. Not as a buyer and a seller... but as guest and host.

We think highly of our "house". We keep it in order to earn the respect of our community and we'd like to show off a little. We'll be proud to have you visit this week, during "Know Your Automobile Dealer Week"—and any week.

This Cordial Invitation is Extended to You by the
Automobile Dealers of Birmingham

It is the belief of the entire automobile industry that Birmingham is the home of one of the country's outstanding groups of automobile dealers.

Therefore, we want the people of this community to become more thoroughly acquainted with us, our personnel, and our establishments.

Take advantage of this occasion to drop in and see what fine facilities we have for new and used car distribution, and especially our unusually up-to-date service methods and equipment. We'll be expecting you—and if it isn't convenient for you to visit us during this event, do so at your earliest convenience.
