## Sports Showup

Rollie McGinnis, one of the Maple track stars, is doing exceptionally well at the University of Wisconsin. After placement exams, Rollie made a very good showing in English, mathematics, physics, and naval science. Rollie is also reported for the indoor track team.

Coach Secontine's standing offer of a steak dinner at the Kingsley for anyone blocking a punt will be collected by Gordon Shira for blocking one in the Dearborn game. Gordon is the first to collect the offer since he has to make good on the offer many more times.

The only serious injury to the Maple eleven Saturday night was that of George Landino, fullback who scored two touchdowns in the Dearborn game. He splintered a small bone in his ankle early in the first quarter of the game. The doctor told George that it would be five weeks before he would see action.

A new Cranbrook road cross country record was established Friday afternoon by Dick Shalberg when he ran the two mile course in 11:20, slicing a second off the old record. A new color opponent will be added to the cross country schedule when the Maples meet Roseville there tomorrow afternoon.

Colin Campbell, 48 Maple fullback, played on the freshman team at Washington and Lee last Friday. However, it was probably his first and last game for the season, as a small bone in his foot was broken.

The Maple team and coaches much prefer to play their games Friday nights. They feel that it is a handicap to move games to Saturday night.

## Cameras and Color

The Bloomfield Hills Camera club will hold its first fall meeting Oct. 12 at the Cranbrook school gymnasium at 8 p.m. The meeting will be a carnival of color and photographic activities. Color slides, movies and prints will be shown. For those who wish to take pictures at this time, lights and models will be on hand. The meeting will be open to the public.

The Maple Harriers defeated Walled Lake 20-35 recently on the local course for their first victory of the season.

In the first place was Dick Shalberg, in the second place was Glenn Powell, Walled Lake, who was also hooked at 11:20 in a photo finish.

Shalberg led until Powell passed him just beyond the mile mark. Powell retained his lead until about ten yards from the finish where Shalberg pulled ahead to win.

Both teams placed seven men. For Birmingham, Don Westerly placed third; Ronnie Phillips, fourth; Bob Pope, fifth; Frank Kravzer, seventh; Roy Horne, eighth, and Neil Scott, 12th.

## GAA Bowlers Meet Thursday Evenings

Members of the recently formed GAA bowling league will meet every Thursday night at the Birmingham bowling alley, in a true competitive spirit.

The league is affiliated with the Detroit Junior Bowling Congress in which pins and trophies are presented at the end of the season.

Newly elected officers are Barbara Hanson, president; Georgia Wilson, secretary; and Barbara Wilson, treasurer.

The bowling league is comprised of ten teams, each having four members.

Included in the teams named after universities and colleges are Michigan State, Stephens, Lawrence Tech, and General Motors Tech.

## No PTA-Approved Movie This Week

There will be no PTA-sponsored movie at either of the local theaters this Saturday afternoon. This announcement was made by the Birmingham PTA movie committee which is interested in promoting movie programs of good quality suitable for children.
