

Fall Color Motif at Altar Society Meeting Monday

Approximately 70 women attended the regular monthly meeting of the Holy Name Altar Society in the Community House Monday afternoon.

The group's rummage sale being held today, Friday and Saturday, Oct. 6, 7 and 8 at 610 South Woodward was discussed after which Mrs. John Garrity, arch diocesan

chairman of social action and legislation of the N.C.W. spoke on "Catholic Action Today". She told of the health and welfare and federal aid to schools as well as the housing situation. A discussion period followed.

St. Mary's Guild members were hostesses at the affair and pouring were Mrs. Chester Dady and Mrs. E. E. Colgrove. The table carried out a fall motif with colorful fall leaves, gourds and seasonal fruit which were accented by dark green and charrtouse candles and matching colored napkins.

Golden Wedding Anniversary Couple

An open house on Oct. 9 from 3:30 until 5:00 o'clock will mark the golden wedding anniversary of Mr. and Mrs. Fred J. Douglass of Southfield road. Seventy-five friends and relatives are expected to be present to fete the couple that day. Afterwards, the honorees will be guests at a dinner party.

Mr. and Mrs. Douglass have been Birmingham residents for 45 years and can remember when the sidewalks were made of wooden boards and when a post office, grocery and drug store were combined under one roof.

"We're pleased to have been able to watch Birmingham grow into such a lovely town and yet we feel sad, too," Mrs. Douglass commented.

Mr. Douglass once owned a baseball bat factory. (A Joe Wheeler Photo)

Local Branch of Garden Association Schedules First Meeting For Oct. 10

Last week at the Community House, board members of the Birmingham National Farm and Garden Association met with their president, Mrs. William McCallum, to discuss plans for the organization's fall and winter activities.

The local branch will open the fall season on Oct. 10 with a business meeting at 1:30 o'clock and a harvest home program at 2:00 which is under the direction of Mrs. W. H. Burlingame, who has announced that the home gardening group is in charge of the discussions.

Mrs. Frank Webb, who launched this group of home gardeners and serves as its leader, will introduce several members who are to participate in a round table talk and she will act as coordinator. It is the purpose of this group to make a practical program for real dirt gardeners.

Among those who will take part are Mrs. James Goodman, Mrs. Alvin H. Knorr, Mrs. T. C. Jackson, Mrs. Karl B. Lutz, Mrs. Harry Coen and Mrs. F. H. McKinney.

Members are urged to bring their favorite garden specimens, fruit or flower and to feel free to ask questions.

Following the program, an autumn tea is being arranged by Mrs. Zella Bricker with the assistance of Mrs. N. A. Miles. Others working on details include Mrs. W. C. Allen, Mrs. Draper Allen, Mrs. Gould Allen, Mrs. James Allen, Mrs. Walter Anderson and Mrs. Hobart Andrews. The tea table is to be decorated by Mrs. Alice and Mrs. Draper Allen. Potting will be president Mrs. McCallum and vice-president, Mrs. Knorr.

Mrs. Webb gives these garden hints for the month: Revamp perennial beds now, take off top soil and fill with compost, manure and peat. Replace top soil mixed with commercial fertilizer. Feed trees with special fertilizer, make

Social Briefs

Among those from Birmingham who attended the first Town Hall meeting yesterday were Mrs. Harry Metz, Mrs. F. B. Hunter, Mrs. Roy Jones and Mrs. Guy Branton.

Breath-taking new 1950 Studebaker!

IT'S THE "NEXT LOOK" IN CARS

All over America, all eyes are on this dramatically different 1950 Studebaker. It's the most sensational advance in car styling since Studebaker introduced the "new look" in cars three years ago.

This 1950 Studebaker is long, low, luxurious—and it's trim, sleek and flight-streamed—no bulging excess bulk to squander gasoline.

Stop in and get a close-up eye-fel of this breath-taking new Studebaker. It's the "next look" in cars.

Stand-out advancements mark this 1950 Studebaker!
Higher compression Champion and Commander engines of increased horsepower • Self-stabilizing coil spring front wheel suspension • Wide-rim wheels and extra-long pressure tires • Self-adjusting brakes • Over-size windows and windshields • "Clear-Proof" "black light" instrument dials • Wear-resisting Studebaker craftsmanship.
