Kiwanis Speaker
Dudley P. Frame, Southfield supervisor, was the guest speaker at the Wednesday Kiwanis meeting. Lawrence C. Smith talked on the program and plans made on Southfield Dodge park. The program was sponsored by the boys and girls and public affairs of this community.

The "On to Columbus" trip by plane was Sept. 19 for a get-together with Columbus Kiwanians. It was a 12 o'clock luncheon and a get-together with 25 representatives.

Franklin Meeting
First full meeting of Franklin Community association was well attended Tuesday night. The chief discussion was on when the new fire hall bids will be released. The president, W. J. Hinman, announced that they should be made public in a few days. Due to slight changes in the plans, more time was needed, he explained.

Starting next week the fund raising campaign will begin. About \$2,000 has been donated and \$2,500 more will be needed to build the fire hall, Charles Baker, in charge of publicity, stated.

Girl Scouts
Troop 9 Girl Scouts will hold presentation of the fifth through the ninth grades Sept. 28 in Bruce school. Patrol 1 includes seventh and eighth grades; patrol 2 includes fifth and sixth grades. Mrs. William Conklin is troop leader, assisted by Mrs. Allen

Young, Mrs. William Barr and Mrs. W. J. Bigger.

Evangelical Church
The Evangelical United Brethren church plans of Magnolia subdivision, are about completed and the site was cleared Saturday preparatory to laying the sewers.

The church, a one-floor structure, will spread out over the grounds on a three-acre site at Cornell and Northwestern. It is directly across from the school. Regular services are being held in the school at 11 o'clock and Sunday school at 10 a.m.

Junior church service takes place during the morning worship hour. The young people of the church are enthusiastic in their many endeavors and attendance is ever increasing. Their meetings are held each Wednesday evening in homes.

The Women's Society of World Service meets the third Wednesday of each month. Magnolia has 25 World Service members who sponsored an ice cream social last Sunday in Mrs. Russell Abogant's garden.

Woman's Club
The Women's club of Magnolia gave a get-acquainted tea Wednesday afternoon for 75 neighbors. Mrs. Arnold Petersen opened her home for the occasion. Several newcomers met the charter club members. The tea table was covered with silver lace with a centerpiece of yellow and white roses. Mrs. Fred Heiden is the president.

McKinley PTA
McKinley PTA had 38 in attendance at the first meeting held last week. Mrs. Orman C. Davison, president, stated that its big project for the coming year is to raise funds for the landscaping of the McKinley school. Several plans are under way to carry out their ambition.

DAR Notes
Three Flags Chapter, DAR, board met last Tuesday at the home of Mrs. Richard Larges, W. 10 Mile road, after which luncheon was served. Members sewed for a banner to be given in November. The proceeds will be used for the National Building fund. The regular meeting was this Tuesday at Mrs. Glenn Leveys' home on Indian road. Reports of committee chairmen were read.

The regional meeting in Ann Arbor, at which luncheon will be served, is scheduled for Sept. 28. Those planning to attend from this area are Mrs. Robert Vint, Mrs. Richard Larges, Mrs. Robert Hopkins and Mrs. C. A. Robitaille.

Townsite Women
Lathrup Townsite Women's club will hold its first fall meeting in the "Home in the Woods" Monday at 1:30 p.m. Oct. 4. The guest speaker will be Dr. Carl O. Smith, professor of government at Wayne University. His topic is to be "National and State Issues in the Coming Election." Tea will follow his talk. The club now has 255 members.

Leaving Here
Some deep sighs and a few tears for these departing neighbors: the Leo Browns have been transferred to Bloomfield, N. J.; the Vance Howes are moving to New York state; the Robert Hopkins have placed their home for sale preparatory to moving elsewhere.

The Harold Moore family have rented their home and moved to St. Petersburg, Fla.

Softball Champs
The Townsite association softball league won the championship of Southfield Recreation League Sunday, beating Akers Refrigerator 12 to 10. Webb Owen is manager of the league. Clark Stewart is assistant manager. The teams have played each Tuesday evening during the summer months. William Mikulas is president of the association.

College Bound
Off to college are Louise Kelley, Bob Mitchell, Phil Parker, to Michigan; Margaret Iversen, Bruce Torrance, Dick Sutherland, to Hillsdale; Homer Bates, Albin; Douglas Gordon to Massanutten; Millary school, Woodstock, Va.; Mae Marsh to Michigan State.

Home Again
Mr. and Mrs. Evan Wright and family, Mr. and Mrs. John Farland and Mrs. Edwards spent the month of August at Elk Lake. Mrs. Wright and daughter, Dorothy Cowie, are promoting deep freeze demonstrations and conduct three cooking school classes each week at WKMH.

Gym Dedication
The most important thing in a teen age boy's life, next to football, is a school gymnasium. So it is with several Lathrup kids who are students at University of Detroit high school. A dedication festival for the new gymnasium is scheduled for Nov. 11. These boys, from this area are working like leavers to get people to attend. Kenneth Lathrup, Henry Coucke, Edward Beyna, John Peck, Clarence Beaudoin, Donald Heberer, Rudolph Krieger.

Bridge Party
A contingent of Lathrup women attended a benefit bridge at Bloomfield Owen Hunt club

Only the Servel GAS Refrigerator STAYS SILENT LASTS LONGER

ONLY Servel makes ice and cold without using any moving parts at all. There's no motor, no valves, no piston or pump. No machinery that can wear or get noisy. Just a tiny gas flame does the work. So it stays silent, lasts longer.

Model W-800 Shown Shelf Area 18.17 Sq. Ft. 5 Ice Cube Trays ONLY \$139.95 AS LITTLE AS \$8.84 DOWN

SERVEL brings you extra value in many other ways too. It's bigger, roomier with lots of space for everything. And it has all these latest features a family wants. Special low-temperature compartment for frozen foods. Ample ice cube trays with quick releases. Dew-action fresheners and a flexible interior that can hold even bulky foods - a large watermelon, etc.
