Couple To Reside In East After Bermuda Trip

A granddaughter of Mrs. Gertrude Potter and niece of Miss Helen Potter of Birmingham, Miss Patricia Dale Potter, spoke her marriage vows to Stephen Walker Cushing in an 8 o'clock ceremony last Saturday evening at Christ Church Cranbrook.

The bride is the daughter of Mr. and Mrs. Walter N. Potter of Merrilland avenue and the bridegroom is the son of Prof. and Mrs. Morgan B. Cushing of Brunswick, Me.

FOR HER WEDDING, Miss Potter wore a full-trained gown of Italian silk tulle with a bib effect on the bodice formed by rose point lace. Her full length veil flowed from a cap of heirloom Brussels lace and she carried a bouquet of fleur d'amour and white orchids.

The bride's attendants were frocked in citron-colored marquisette with matching stoles and caps and they carried arrangements of Peruvian lilies.

HER MAID OF HONOR was Miss Deborah Ritter of Philadelphia and the bridesmaids were Mrs. William A. Risdon and Miss Dorothy Colman.

Laurence Heely of White Plains, N. Y., served as best man and the ushers were Robert P. T. Coffin of Brunswick, Philip Martin of Boston, John Nowak of Chicago and Keith Norwalle of Grand Rapids.

The young Mr. and Mrs. Cushing left by plane for a Bermuda honeymoon, following their reception at the Detroit Golf club.

From the wedding trip, they'll go to Williamstown, Mass., where they will make their home.

Birthdays, anniversaries, guests, births, parties are all news—the society editor about them.

Couple Repeats Vows In Family Ceremony Saturday

At eleven o'clock last Saturday morning at Christ Church Cranbrook, the Rev. George D. Clark officiated in the quiet family ceremony which united Miss Beverly Grier and William Edgar Douglas in marriage.

Miss Grier is the daughter of Mr. and Mrs. James Allister Grier of Fairfax road and the bridegroom is the son of Mr. and Mrs. Morgan D. Douglas of Bloomfield Hills.

THE BRIDE was dressed in a ballerina-length gown of white chantilly lace over satin with a tiny turnover collar topping the fitted bodice. Her illusion veil was held by a Juliet cap fashioned of lace and she carried a nosegay of miniature sweetheart roses.

As Miss Grier's matron of honor and her only attendant, Mrs. Alan R. Hopkins was gowned in a frock of lime green net over tulle with matching hat and she carried an arrangement of yellow roses.

Morgan D. Douglas, Jr., assisted his brother as best man.

FOR HER DAUGHTER'S wedding and luncheon which followed at the Oakland Hills Country club, Mrs. Grier chose an afternoon suit of rose and white printed silk with white accessories and white orchids.

Mrs. Douglas, the bridegroom's mother, selected a gray silk outfit with matching accessories and cybindium orchids.

UPON their return, the Douglases will make their home in Birmingham.

SOCIAL NEWS IN BRIEF

Mrs. Frederick T. Burgis of Vinewood avenue recently boarded a plane for Santa Barbara, Cal., where she is spending a three-week visit.

Mr. and Mrs. Vern C. Markley of Henrietta street left last week to spend a month at Macatawa. Their daughter and family, Mr. and Mrs. Roy B. Fisher and Samy, Susan, Martha and Roy E. are traveling from Ft. Worth, Tex., to join them.

Mr. and Mrs. Charles J. Shain left last Saturday on a trip to Newfound Lake, N. H., where they expect to see the E. W. Shattucks.

During August, while the Community House is closed, Mrs. Carleton Isley will spend the month at her summer cottage on Lake Avalon.

Mr. and Mrs. William G. Lerchen Jr., of Juddington road are spending several weeks at the Harbor Beach cottage of Mrs. Lerchen's parents, the Norman Andersons.

Miss Joyce Crawford and her fiancé John McConnell of Cincinnati were honored at a pre-nuptial dinner party at the Bloomfield Hills Country club last Saturday, given by Mr. and Mrs. L. A. Colman and their daughter Dorothy.

C of C Manager Will Leave Saturday for National Institute

Charles Mortensen, manager of the local Chamber of Commerce, leaves this week to attend the national institute of the Chamber of Commerce of the United States Aug. 12-19. The sessions will be held at Northwestern University.

Mortensen said about 500 of the nation's 3,200 organized chambers would be present, with attendance largely from middle western states.

This is Mortensen's third year in the intensive four-year course in the theory and practice of organized management. He will take courses in organization and the executive, educational activities, parliamentary procedure, national affairs, programs of work and business activities.

In addition, Mortensen will attend the one-hour round table discussion each day, when day-to-day problems are examined. He will also attend a one-hour lecture each day at which the speaker will be some nationally known business executive.

Deadline for society club news is noon each Monday.

ADDING CHARM TO Your Home

SCALE THE LONG WALL

If you have a long, unbroken inside wall in your living room, don't look upon it as a decorating bugaboo. And whatever you do, don't just put the sofa in the center and forget it. The long expanse of unbroken wall space offers any number of opportunities for interesting furniture arrangement.

One possibility is shown in the sketch above. Careful planning and proper balance have transformed a nondescript, rectangular room into a gracious, comfortable living area. Sectional book shelves piled high here become the room's focal point. Because of narrowness of room, love seats have been chosen instead of sofas and placed at right angles with wall to form conversation group. To preserve balance and conform to elongated wall, lamp tables have been placed back of love seats. Winthrop desk takes full advantage of light from window in end wall.

Apparent room length has been shortened by painting end walls deep cocoa brown which matches draperies and walk-to-wall broadloom carpet. Bright book bindings highlight long side wall of deep ivory color. Bachelor-button blue velvet love seats give room dramatic color accent.

Have you a problem room? Come in and talk to us about it. We have many new decorating ideas that will be helpful to you.

First of the Fine Cars in Value

YOU can see this man has made his mark in life, and while his heart's still young.

You can tell he likes action for his money—that he knows a fine car needn't be the most expensive to give the greatest value.

Yes, such are the things you know of any man, when you note that his car is a ROADMASTER.

Follow him on his spirited way as he pilots this lively motorcar through traffic. Even the lightweights are no match for this road-steady husky—not with the 152-horsepower straight-eight Fireball engine that purrs beneath its bonnet.

Maneuver beside-him at the next stop light. Then just try to get away as smoothly, swiftly and silently as Dynaflo Drive gets his ROADMASTER going—and keeps it rolling without shifting, even automatically.

But don't waste time merely envying

the man in this great car! Why not emulate him?

With all its outside room, interior luxury and exterior grace—with all its front-rank prestige, rare performance and matchless ride—a ROADMASTER can be yours for less than some smaller cars cost.

In fact, even if you had a fortune to spend, you couldn't make a more fortunate buy in the fine-car field.

So we suggest you try a few minutes behind the wheel. We're confident they will convince you that ROADMASTER has everything you could ever ask for in any motorcar—although your Buick dealer asks a good bit less for ROADMASTER than you might pay for other top-line cars.

Local Man Accepts Chicago Position

Mr. and Mrs. Carl Voorhies, 1004 Brookwood, will leave Aug. 22 to make their home in Park Ridge, Ill.

Voorhies, well-known Detroit engineering consultant, was appointed chief engineer for the valve tappet division of the Chicago screw company of Rockford, Ill., last June.

For the past 16 years he has specialized in valve gear work and for two years has been consultant to several automotive firms. He took an active part in the development and perfection of hydraulic valve lifters and technique for valve motion studies.

Voorhies has also written several articles for the field and has been granted patents on some of his work.

According to W. J. Finn, president of the Rockford company, he will supervise laboratory activities for customer service to aid in the solution of valve lifter and valve gear problems.
