It says SUCCESS-with SPIRIT
First of the Fine Cars in Value

YOU can see this man has made his mark in life, and while his hands are still young.
You can tell he likes action for his money—that he knows a fine car needs to be the most expensive to give the greatest value.
Yes, such are the things you know of any man, when you note that his car is a ROADMASTER.
Follow him on his spirited way as he pilots this lively motorcar through traffic. Even the lightweights are no match for this road-steady husky—not with the 152-horsepower straight-eight, Fireball engine that purrs beneath its bonnet.
Maneuver beside him at the next stop light. Then just try to get away as smoothly, swiftly and silently as Dynamof Drive gets his ROADMASTER going—and keeps it rolling without shifting, even automatically.
But don't waste time merely envying the man in this great car! Why not emulate him?
With all its outside room, interior luxury and exterior grace—with all its front-rank prestige, rare performance and matchless ride—a ROADMASTER can be yours for less than some smaller cars cost.
In fact, even if you had a fortune to spend, you couldn't make a more fortunate buy in the fine-car field.
So we suggest you try a few minutes behind the wheel. We're confident they will convince you that ROADMASTER has everything you could ever ask for in any motorcar—although your Buick dealer asks a good bit less for ROADMASTER than you might pay for other top-line cars.
