### German Priest Pays Visit to Walnut Lake

WALNUT LAKE—Father Geiger of Stuttgart, Germany, has been visiting Mrs. Ottilie Schultz at her home at Walnut Lake. He is in this country to visit the high Catholic seminaries and learn their methods of teaching so that he can make a report on them when he returns to Germany.

He has been in the United States for four weeks and visited seminaries in Washington, New York and Cleveland before coming to Detroit. Here he has had an interview with Cardinal Mooney.

Father Geiger left Detroit Sunday for Chicago to continue his tour of the schools in other important American cities before returning to Washington to embark for his homeland.

Mrs. Schultz has a brother and a sister living in Germany and it was through them that Father Geiger made her home his headquarters while in Detroit.

Mrs. Schultz honored her guest at a dinner Sunday. Among the next two weeks at the music camp were her sisters Mrs. Agnes Esser and Mrs. Marie Strassburg, when he returns to Germany.

### Scholarship Winners Study at Interlochen

Miss Alysanne Dove, daughter of Mr. and Mrs. William E. Dove and Miss Alma Jean Nordman, daughter of Mr. and Mrs. Russell S. Nordman, are spending the next two weeks at the music camp at Interlochen.

The two girls are studying with the choral classes, having been the local recipients of the Birmingham Musical scholarships.

Teach me to love my selfish need, And glory in the larger deed, Which smooths the road and lights the day, For all who chance to come my way.

## Even Wiser than He Seems

PLAINLY, here travels a man wise in the ways of the four motorcars.

You know that, by the four Ventiports and the rich sweep of chrome which mark his car as a ROADMASTER.

You know it, should you trail him on the highway, by the smooth lift of the big Fireball power plant at his toe's command, by the obvious levelness of the ride he enjoys, the swift ease with which Dynaflow Drive solves his traffic problems.

What is not so plain from what you see is that here also is a man very wise in what today's dollar should buy!

For this man has all that a fine-car owner can ask for—brilliant performance, a ride without equal for gentle softness, finger-easy handling, abundant room all around him, styling that is easily the most distinguished on the highway.

Yet he paid considerably less than comparable merit costs elsewhere.

He found fewer extra charges in his delivered price, with such things as Dynaflow Drive, foam rubber cushions, windshield washers, electric clock, even non-glare rear-view mirror included in the price.

If you know fine cars, it won't take fifteen minutes behind a ROADMASTER wheel to see that here is one of the finest.

If you have inquired about prices, a single

glance at the delivered figures establishes this as the big buy of the field.

Why not make both checks—especially since your Buick dealer will be glad to arrange a trial run in a ROADMASTER any time you care to call on him?

Only BUICK has Dynaflow Drive\* and with it goes HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in some models) • NEW-PATTERN STYLING, with MULTI-GUARD fender, taper-through fenders, "double bubble" taillights • WIDE-ANGLE VISIBILITY, close-up road view both forward and back • TRAFFIC-HANDY SIZE, less over-all length for easier parking and ganging, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from all-steel springing, Safety-Ride rims, low-pressure tires, ride-absorbing torque-tubes • WIDE ARRAY of MODELS with Body by Fisher.

\*Standard on ROADMASTER, optional at extra cost on Super and Special models.

FOUR-WAY FOREFRONT—This rugged front end (1) sets the style note, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and ganging easier.
