

Fire Hall Proposal For Southfield On Sept. 12 Ballot

Southfield township voters will decide Sept. 12 whether the township will have additional fire protection facilities. Friday evening at a special meeting, the township board of- approved equipment, to be built before Dec. 31, 1951, and that the township's building and site fund be applied toward the cost. Suggested sites for the halls are Nine mile and Telegraph roads and in the vicinity of 13 mile roads and Southfield.

News copy submitted early necessarily is given preference over late items. The "early bird" usually gets the space.

DUSTY DREADNAUGHT—The foot soldier at right finds himself about to be enveloped by the swirling cloud of dust kicked up by an American medium tank racing for the South Korean front. To the two G.I.'s clinging to the Sherman tank's turret, dust and battle smoke are old stories.

Commission Approves Assessments for Four Sections of Hunter Access Drives

At four related public hearings Monday night, city commissioners approved the necessity of four sections of access drives along Hunter boulevard. The assessment districts are now in the city assessor's office for spread of assessments which will receive final action in several weeks. Two of the drive sections were debated by commissioners and abutting property owners or their representatives. Suburban Motors objected to an access drive on the west side of Hunter between Bowers and Hazel, claiming that it would do no way benefit the property. It was stated that the property owners would be agreeable to preventing any parking along Hunter at this point. The commission eliminated this section from the district.

PACKERS OUTLET asked that a drive be constructed between Bowers and Haynes, but a Secony Vacuum representative said such a drive would interfere with a service drive of a future gas station at the Haynes-Hunter, corner. City officials said they would study the Secony argument to see what might be worked out prior to the confirmation of the district. Commissioners approved districts for drives on the east side between Worth and Webster and from Hazel to Chestnut and in front of the colonial court terrace on N. Woodward. The state has agreed to pay 25 per cent of the cost of these drives, with the property owners paying the remaining portion.

High School Dance To Welcome New Baldwin Students

By PEGGY PERKIN
The second annual "free for all" dance scheduled for Sept. 11 at Baldwin high school will begin the new term's extra-curricular activities for new and old students. The dance is sponsored by the student congress and will be an informal get-together to welcome all new students to Baldwin and introduce them to school activities. **ALSO HONORED** will be the following new teachers: Miss Angelina Gaziano, who will replace Mrs. Dorothy Perry in the social studies department; Miss Barbara Hill, girls' physical education teacher replacing Mrs. Margaret Henderson; Howard Love, replacing Mrs. Anne Luth in social studies. Others to be welcomed are Mrs. Helen Jacques, new librarian; Mrs. Frank Garland and Mr. and Mrs. Vincent C. Seontine. Joe Bachman, president of student congress, is general chairman of the event. Heading the various committees are Jack Maddox, refreshments; Mary Hopkins, programs; Ronnie Phillips, music; Charlotte Wiley, hospitality; Peggy Perkin, publicity and Ann Morrow, decorations. Mrs. Carol Darling is adviser of the student congress.
