Merry Christmas

The Night will be hushed (save the Mother Wind's whispered lullaby) ... and though Santa steps gingerly to the chimney top, nary a little one will hear.

The Morn will bring joy ... Surprise ... Dancing Stars in the eyes of tots well schooled in the ways of Santa. It will bring the re-uniting of friends and family—well wishing for the Holiday Season—and prayers for Peace, the World over.

With those prayers go OUR wishes for a Merry Christmas, a Happy New Year ... Peace, Happiness and Prosperity to all our friends, now, tomorrow and in the years to come!
