RECREATION ROUND-UP

Barnum pool activities are continuous for boys and girls of the elementary age. Parents may drop their children at the pool and pick them up later, or they may spend the period visiting activities in the pool room. Swimming lessons vary in length with individuals attending, due to the differences of physical conditions, age, ability, and the personal desire of the swimmers. Extreme care is given to see that no one becomes chilled or over fatigued during the sessions.

The local recreational staff rates as one of the best trained units in the field. Over one half of the instructors have master degrees from highly recognized educational institutions. All members are experts in their particular fields.

HAROLD NEWCOMB serves as supervisor for all Quorton school activities and Adams' school personnel is headed by George Miller. Basketball at Pierce will be under the direction of Vincent Seconline and Lloyd Cooper will head activities at the Baldwin gymnasium.

Guidance is provided for the Barnumites by Hugh Loveland. Howard Sumera serves as general assistant and coordinator for the program.

The swimming staff consists of Jay Myers, Miss Susan Swartz, and Miss Avis Murphy. Volunteer help is also being supplied by the high school and interested parents.

You bet there's a Santa Claus!

YOU may not see any fluffy white beards or gay red jackets in our showrooms—but we're playing Santa nevertheless.

We're playing Santa when we offer these gay and gorgeous Buicks at the prices featured here.

Where else can you find so much power and comfort and style and size and fun at comparable figures?

Where else can you find high-compression Fireball power—Dynaflow Drive™—and the ever-level ride that you get in a Buick?

What you pay for a SPECIAL buys an eight—not a six—but the price tags are less than many a six will cost.

What you pay for a ROADMASTER buys the stand-out performer in the fine-car field—at the lowest price per pound of any car near its size—and at hundreds of dollars less than you'll pay for others which match ROADMASTER'S reputation.

These are facts you can check in any Buick dealer's showroom—but the thrill of getting a bargain is nothing compared to the thrill you'll get out on the road.

You have to feel for yourself the eager take-off—the willing rush of power on the straightaway.

You have to feel the supreme command that is yours with Dynaflow Drive™—and the level-gaited stride of this bonnie beauty.

So come in—and take out one of these star performers.

Just a few miles with a Buick and we know what you'll say:

"Christmas! What a marvel!"
