ADDING CHARM TO Your Home  
By Bill Wieland

**ALL THRU THE HOUSE . . .**

... there's a sense of bated excitement as you hang the holly wreaths, tie the sprigs of mistletoe in unexpected places, and set the stage for that magical hour when the family will gather around the lighted, gift-laden tree.

Christmas festivities center around the home . . . and there is no more appropriate and appreciated gift than a gift FOR the home.

For the children—furniture for their own rooms is sure to bring squeals of delight: tables and chairs, desks, toy chests, record and doll cabinets.

And what teenage girl wouldn't be charmed by one of the new cabinet-type cedar chests . . . the perfect storage place for treasured cashmere?

The list of home gifts runs the gamut from bonnet boxes to breakfasts. For a gift that is certain to heighten the Christmas spirits of every member of your family, consider the sofa shown in the sketch above. Its fluid curves and simple lines make it a singularly pleasing piece that would fit pleasantly into a room furnished in either Contemporary or Traditional style. Sturdy construction and closely woven upholstery fabric insure long wear.

Whatever your choice of home gift may be—a large basic or a small incidental piece, we'd enjoy helping you select it. Remember, a gift for the home is Christmas giving that enriches all-year living.
